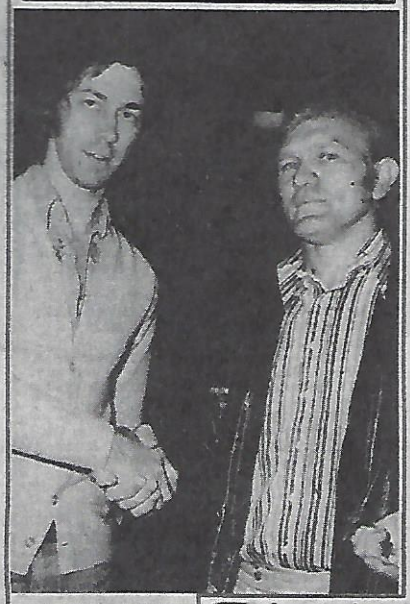
## Coming soon: Charlie George v. Supermac



English superstar Charlie George (left) is welcomed by St. George manager Manfred Schaefer. Charlie played for Saints in their scoreless draw with Brisbane Lions last Sunday (see page 5).

On Monday, June 13, he and Malcolm Macdonald will be on opposite sides when Saints meet Hellas in Melbourne.

# WELCOME MALCOLM

**Jack Reilly and Malcolm Macdonald, the men who faced each other in pouring rain on a muddy pitch in Luton seven years ago, will be team mates on Sunday.**

*Reilly will of course, be in goal for South Melbourne and Macdonald — known as Supermac for his goalscoring prowess — will be on Hellas' forward line in the all-Greek clash with West Adelaide Hellas at Hindmarsh Stadium, Adelaide.*

**It will be the first of four matches that Supermac will play for South Melbourne Hellas.**

By LAURIE SCHWAB

*He has been insured for half a million dollars during his stay in Australia. Hellas has paid a premium of more than $2000.*

**Macdonald, 27, of London club Arsenal, scored 29 goals in the English season just ended to top the First Division scorers' list with Andy Gray of Aston Villa.**

His other game in Australia will be against Brisbane Lions in Melbourne on June 11, against St. George in Melbourne on the Queen's Birthday holiday, June 13, and against Canberra City in either Canberra or Melbourne on June 18.

**The highlight of his stay will be the Hellas v. St. George clash. Macdonald will play for Hellas and Derby County star Charlie George for St. George.**

Jack Reilly — Macdonald scored against him.

Malcolm Macdonald was bought by Arsenal from Newcastle United for $520,000 at the start of the 1976-77 season.

At Newcastle he had scored 95 league goals in 187 matches.

Before that he was with Luton Town (49 goals in 88 games) and Fulham (five goals in 10 games).

It was while he was with Luton in 1970 that Macdonald clashed with Jack Reilly.

**Both played in the Australia v. Luton Town match during the Socceroos' 1970 world tour.**

Australia won 2-1 with goals by **Mike Denton** and **Adrian Alston** while Luton's only goal was scored by **Supermac.**

Reilly talked about that match this week. "It was the greatest goal I have seen in my life," he said.

**"Manfred Schaefer,** who was marking Macdonald, had the ball covered as it came towards us but he slipped in the mud as he was about to take off for his header.

"Macdonald was about three feet behind Schaefer and before we knew it, he had jumped four feet into the air and headed that ball into the back of the net."

## Now you can see all the matches

**Dates for the super soccer series between Arsenal, Celtic, Red Star and Australia next month have been rearranged so that fans can see all the games by flying between Melbourne and Sydney.**

Dates and venues for the matches are : Red Star v Celtic at Sydney Showground, Wednesday July 27; Arsenal v Australia at Olympic Park, Melbourne, Thursday, July 28; the play-off for third place at Sydney Showground, Saturday July 30, and the final at Olympic Park, Melbourne, Sunday July 31.

**Reg Lambourne** head of World of Soccer, the English company which will promote the tournament, said this week he was negotiating with three commercial stations for the TV rights of the series.

Englishman **Jack Taylor** will referee the first match and the final.

## Hellas wants Koudas

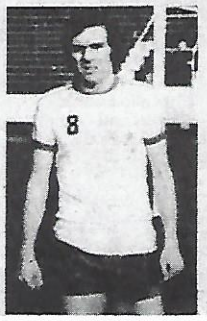
*South Melbourne Hellas is making offers to Greek international George Koudas.*

*Hellas wants Koudas to play guest games here when the Greek season ends about the middle of June.*

*Koudas, of PAOK Salonika, is a former captain of Greece.*

*What a drawcard it would be if Hellas and Alexander clash when Papaiouannou is in the Alexander team and Koudas plays for Hellas!*

## VIERI AT MARCONI FOR $20,000



**Italian star Roberto Vieri, 31, arrived last week to spend eight weeks with Marconi.**

He will cost Marconi about $20,000.

Vieri started with Sampdoria, went to Juventus in 1967, and then transferred to Roma.

The transfer deal saw Vieri plus $400,000 go to Roma in exchange for **Spinosi** who went on to play for Italy, **Cappello** who is a current international and **Landini** who played for Italy under 23.

After two seasons Vieri transferred to Bologna where he has been since 1972.

Last year, during the off season, he spent two months in Canada, playing for Metros Croatia, which won the North American championship.

A midfielder who scores goals, Vieri is the first big-time Italian First Division player to come to Australia in

# Supermac coming

From page one

**"It was pouring rain that day but Macdonald played very well, despite the conditions and despite the close marking of Manfred Schaefer," Reilly said.**

"Macdonald's main qualities are that he is phenomenal in the air and that his left foot is lethal.

"He will be a tremendous asset to Hellas for those four matches. We've been failing to score goals despite the presence of big-name players but Macdonald should change all that.

The Australian team that met Luton in 1970 was: **Reilly, Roche, Wilson, Schaefer, Curran, Warren, Richards, Mackay, Denton, Alston, Blues.**

Of these, only **Reilly, Wilson, Curran** and **Richards** are still playing in Australia, while **Schaefer** is coach of St. George and **Warren** coach of Canberra City.

**Hellas won't say how much it will pay Macdonald for his four matches, but it certainly won't be less than $10,000.**

# Lions get McKay

**Former Scottish international Duncan McKay (pictured) is expected to arrive from Perth this week to take over as coach of Victorian State League club Essendon Lions.**

Lions are also negotiating with Perth players **Alan Kerr** (midfield) and **George McMillan** (striker) and are expecting defender **Grant Smart** to arrive soon from Scotland.

**Duncan McKay** played for Celtic in Scotland before joining the now defunct Victorian club Croatia in 1965.

Before coming here he had also played 13 international matches for Scotland from 1959 to 1962.

He joined Croatia as player-coach but abandoned coaching in 1966 to concentrate on playing. He finally left Croatia in 1970.

For the past three years he has coached Azzurri in Perth and under his leadership the club has won all the major Western Australian honors.

McKay will replace Lions' present coach Jim Zemunik who will become assistant coach.

The Scottish player arriving soon, Grant Smart, is a brother of former Victorian representative Jim Smart.

He is currently with Montrose in Scotland.

# Super series

From page one

Taylor referees the 1974 World Cup finals between West Germany and Hamburg in Munich.

Prize money for the super series will be about $30,000 for the winner, $7000 for the runner-up and minor prizes to be announced.

Lambourne says a cup will be awarded to the best player and the best Australian player of the tournament, and that a penalty kicking competition for schoolboys will be run in conjunction with the series.

**Terry Neill** manager of Arsenal said "This will not be an end of season trip for our club. It will be used to prepare us for the English League season".

"I want to make sure that Arsenal wins everything next season starting with the Australian tournament."

Celtic and Arsenal have not played in Australia before, but Red Star beat the Australian national team by the same score of 3-1 three times when on tour early this year.

A film of Celtic shown to a media conference this week said Celtic was a "religion" in Scotland and that Celtic fans saw Soccer as their "90 minute revenge on the rest of the week".

On the way to Australia, Celtic, Arsenal and Red Star will play tournaments in Hong Kong from July 10 to 16, and in Singapore from July 17 to 24.

# REILLY IN SQUAD TO MEET U.K. ALL-STARS

**Jack Reilly has been added to the Australian squad which will meet Middlesbrough in Sydney on Sunday and Bobby Charlton's All-Stars in Melbourne next Wednesday.**

Reilly replaces **Todd Clarke** (Hakoah-Easts) who has a knee injury.

Although Reilly is in the squad, it's likely that coach **Jim Shoulder** will use **Alan Maher** as his No 1 in the two matches.

It had been hoped that **Terry Cooper**, the former England full back now with Middlesbrough, would be in Bobby Charlton's All-Stars.

However, Middlesbrough manager **Harold Shepherdson** said this week Cooper has a knee injury and has been ordered by his doctor to rest for two months.

Nevertheless, the All-Stars will certainly live up to their name.

Brian Kidd

Here's a run-down on some of the players the squad will be chosen from:

**ALEX STEPNEY**, goalkeeper of Manchester United, played in the recent FA Cup final in which United beat Liverpool 2-1.

Alex Stepney

Peter Osgood

Has played more than 400 games for United, 137 for Millwall and one for Chelsea. One cap for England.

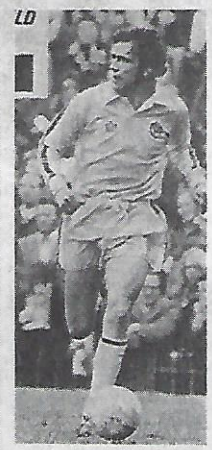
**BRIAN KIDD**, Manchester City, was here in 1968 with Manchester United with whom he played 1965 games and scored 52 goals before switching to Arsenal (77 games, 30 goals) and then Manchester City. Two caps.

**PETER LORIMER**, has played more than 300 games for Leeds United and scored about 150 goals. Capped about 25 times for Scotland.

**JACKIE CHARLTON**, until recently manager of Middlesbrough, had a long, distinguished career as centre back of Leeds and played 35 internationals for England.

**BOBBY CHARLTON**, holds Manchester United's record of 606 league games from 1965-1973 when he switched to Preston North End. He also holds the United record for the most goals, 198, and with 106 caps he is England's most-capped player. With 49 goals in international matches he's also England's top scorer. It's Charlton who has assembled the All-Stars squad.

**IAN CALLAGHAN**, the



Norman Hunter

all-time Liverpool great who has played 600 matches with the 1977 European Cup winner. Two caps.

**ALAN BALL**, capped about 75 times for England, reputed to be the highest-paid player in Britain, earning about $790 a week with Southampton, Arsenal sold him to Southampton for $96,000 last December. He played about 200 games for Arsenal, 208 for Everton and 116 for Blackpool, scoring about 160 goals.

**TOMMY SMITH**, played abut 470 games for Liverpool and one for England.

**PETER OSGOOD**, striker who played 267 games and scored 103 goals for Chelsea before switching to Southampton where he's played about 100 games and scored 30-odd goals. four caps.

**RALPH COATES**, played about 170 games for Tottenham Hotspur and was here with the Spurs last year. Had 213 games with Burnley before that. Capped four times for England.

**NORMAN HUNTER**, One of Leeds United's all-time greats, played more than 500 games for the club and 28 for England.

**FRANCIS LEE**, had about 90 games after joining Derby County from Manchester City where he made 248 appearances and scored 112 goals. Before that he was with Bolton. Lee has played about 27 games for England.

# Salute to Liverpool

**The mighty Reds have done it! Britain's most skilful, most experienced and most consistent team has won Europe's most important trophy, the European Champions Cup.**

*By LES SHORROCK who listened to the Cup final on radio*

Liverpool is the third British club to win the Cup; the others being of course Celtic in '67 and Manchester United in '68, but this time the Celtic fans will not be able to jibe as they did at United, that the Cup was won 'at home', meaning Wembley, for this Cup was lifted on a sultry night in Rome's magnificent Olympic Stadium.

Thus, the Reds shook off the depression induced by that lucky deflected goal that had robbed them at Wembley Stadium just four days before and showed great character by coming out and playing like worthy champions in what will go down as one of the finest finals in this Cup's 23-year history.

Although Liverpool missed a unique treble by a hair's breadth, the 'Red Army', 15,000 whom travelled to Rome, can hold their heads high, for the F.A. Cup final also provided a feast of good football.

Their elation will be tinged with sadness, though, for this game probably spelt out the end for this mighty football machine.

**Kevin Keegan** has indicated his determination to chase the big money in Europe next season, no doubt spurred on by reports of **Rainer Bonhof's** rumoured $200,000 a year income, and **Ian Callaghan M.B.E.**, with over 600 games behind him, will also retire.

**Tommy Smith, Liverpool and England's Iron man, has ended a marvellous career, and in a fitting manner, scoring the decisive second goal in the final, which was his 600th game.**

It would be premature to write Liverpool off though for the club has such depth of talent that, besides having won the championship for the second time and a record tenth, its reserve side has won the Central League for the past seven seasons.

In fact this, the club's most successful season yet, has been accomplished despite the absence during the important latter half, of those seemingly irreplaceable stalwarts **John Toshack** and **Phil Thompson**.

Toshack, the tall, deadly striker of Keegan's crosses, scored 16 goals in '76, and Phil Thompson was an automatic choice for England's World Cup squad, but Liverpool shrugged off their loss and characteristically replaced them so ably that when **David Johnson** (another England player), arrived from Ipswich at a cost of £200,000, he had to sit on the bench!

So who is to say what **Bob Paisley's** wonderfully organised back-room boys will come up with next?

One thing is for sure Liverpool, chasing a hat-trick of championships last achieved by Arsenal between '32 and 35, will not surrender the title meekly.

This final tie was Liverpool's 90th European game in 13 consecutive seasons easily Europe's best record and will undoubtedly earn the club a repeat of last season's award of Champion European club.

Honors seem to fall thick and fast on the side. Ten of the team are Internationals, Keegan himself captain of England and last season's Footballer of the Year, and **Emlyn Hughes** this year's Footballer of the Year.

Since the team is predominantly English, Liverpool has come nearest to approaching Arsenal's wonderful record of having seven players in the England team, but its biggest achievement I feel, it to help to nail the old cry that British players aren't skilful.

**This match will be replayed on ABC TV on June 6 and then viewers will be able to see how Liverpool's vast European experience came to its aid when Moenchengladbach struck back in the second half.**

The first half was all Liverpool's and its only bad moment came when Bonhof hit the post and left Clemence groping.

In the 28th minute, **Terry McDermoff**, who cost $220,000 from Newcastle in 1974, repaid it all when he slammed in the first goal and Liverpool played out the rest of the half well in command.

**Borussia Moenchengladbach is a very formidable for however, and the Red Army was stunned to silence in the 8th minute of the second half when tricky Danish International Alan Simonsen equalised.**

We all wondered whether it was to be a repeat of the F.A Final, with Liverpool's gruelling season taking its toll.

Indeed, Simonsen went close only two minutes later, with a header, but Liverpool weathered the storm and gradually got back on top.

**Ray Clemence**, who blamed himself for the two Wembley goals, played a significant pat then, with two good saves when any indecision could have been fatal.

**Twelve minutes after Simonsen's goal Liverpool struck the telling blow. They forced a corner and Keegan nodded on Heighway's kick to Smith, who pushed the ball past the goalkeeper.**

After that, Liverpool never looked back and seven minutes from time when the French referee awarded them a penalty, it was no more than they deserved.

Keegan, who was the man of the match, had given **Berti Vogts** a torrid time, and finally Vogts had to trip him in the box.

**Phil Neal** came up and as usual, efficiently put the spot kick away and that was the Cup.

## Coaches' views

Liverpool manager **Bob Paisley** said after the final: "We were trying to pace the game. We were punished for our first mistake but all credit to the boys for coming back. It was hard — our 17th game in six weeks."

Borussia manager **Udo Lattek** said Liverpool deserved their victory.

"We made too many mistakes," he said. "We were better in the second half but we had missed our chance by then."

# Hellas splutters to 2-0 victory

By LAURIE SCHWAB

**Had it not been for Arthur Xanthopoulos' brilliance in the Hellas defence, Mooroolbark could well have made the score much closer than 2-0.**

In fact, in the second half, Mooroolbark played much better soccer than Hellas did.

**Dave Rigby** was in full flight in midfield, capably supported by **Joe Tront,** full backs **Alan Pongho** and **Max Irwin** and **Paul Ontong** up front.

Hellas may have won but it did not play good soccer and what it showed against the Barkers was certainly not enough to beat West Adelaide Hellas in Adelaide on Sunday.

Mooroolbark, like Hellas, must improve drastically in attack if it hopes to make any impression on high-flying Adelaide Juventus at Middle Park on Sunday.

Hellas scored against Mooroolbark in the 17th minute on Saturday, when **Peter Ollerton** tapped **Graham French's** cross to **Ian Gibson** who finished off the move.

**Ollerton ($9000) and French ($10,000) are two of Australia's most expensive strikers yet it is Gibson, a midfielder, who is Hellas' top scorer.**

Gibson played extremely well in the first half but could not maintain his high standard after the interval. You couldn't really blame him for that as he was given little support.

Mooroolbark fielded striker, **Pat Lowrey,** bought from Western Suburbs a day or so earlier, but the former Sunderland, Darlington and Royal Union (Belgium) striker had a quiet debut.

Goalkeeper **Lou Ivanoff** (ex-Makedonia, George Cross) was back in the first team to replace **Paul Wilding** and as a result the defence was much steadier.

Mooroolbark started the second half with **Paul Ontong** further forward and within two minutes, **Rigby** would have scored had it not been for a timely sliding tackle by **Margartlis Hagegmanouil** in the goal area.

Then **Mike Pye** stopped a promising run by **Lowrey,** by pushing the ball off Lowrey's feet, to goalkeeper, **Jack Reilly.**

**In the 50th minute Ollerton took a throw-in to Pye who crossed into the middle where Billy Rogers rose high to head home the second goal.**

Rigby skirted the Hellas defence and shot at goal in a quick counter-thrust but Reilly dived to save well.

Then Ollerton broke through and was heading towards goal but **Wally Boczjuk** brought him down with a tackle from behind, which earned him a yellow card from referee **David Yelland.**

**In the 66th minute Ollerton sprinted past Peter Vaughan ad squared the ball across the goal mouth for French, rushing in, but French missed the ball.**

In the 71st minute, Xanthopoulos speared a great ball to French who put it into the path of Ollerton but Ollerton's shot was deflected, bounced along the goal line and finally went out.

**Ian Gibson** had a chance dead in front but his shot was also deflected, and as the match drew to a close, Reilly thwarted Mooroolbark's final attempt, from Tront.

# Northern NSW victory

**MASTERTON, A fast, enterprising Northern New South Wales team began its four-game New Zealand tour on a winning note at Masterton.**

The visitors beat a Masterton invitation eleven 3-1.

The Australians, used to dry hard grounds, made light of the heavy conditions to mount many dangerous attacks.

Scorers for Northern New South Wales were Geoff Oughton, Jack Turnbull and John Sneddon. Terry Burling goaled for Masterton. The half time score was 1-1.

Northern New South Wales next plays Wellington's under 23 team at Basin Reserve tonight (Wednesday).

**Brisbane C. 0 Wests 1**

# Wests lucky

By BRUCE WADDELL

**Western Suburbs soaked up enormous second half pressure but hung on to beat Brisbane City 1-0 at Perry Park in Brisbane their luckiest two points of the season.**

The signs looked ominous for City when Wests opened up in the 10th minute with a goal by Tottenham Hotspurs' great player, **Ian Moores,** following a **Robert Fryer** corner.

But Moores was never sighted in the remainder of the match, after being bottled up perfectly by young centre back **Peter Tokesi.**

Playing alongside him was the man of the match, **Jim Hermiston,** who produced another faultless display as the key man in the backline and sweeping forward as City surged after the equaliser.

City's right winger, **Willie Conner** again displayed his great running on the ball and cut Wests' left back **Steve Perry** to ribbons.

He was forced to switch full-back positions with **"Bunny" Curran** midway through the second half.

Wests' best moments in attack were confined solely to the first 15 minutes.

Curran almost scored in the 9th minute when the hammered a drive against the crossbar, the ball hitting **Osvaldo Borzi** on the back before rolling away for the corner which led to Wests' goal.

Twice City striker, **John Coyne** managed to duck in behind the Wests backline when free kicks were taken by **Roberto Echeverria** in the first half.

The first time his header spooned harmlessly to **Terry Eaton,** but the second should have produced a goal, **Coyne** having **Eaton** at his mercy but ramming his header over the top.

**City appealed frantically for a penalty in the 20th minute when Larry Gaffney was brought down. There would have been few complaints from Wests defenders had referee Dave Nugent obliged, instead of turning a deaf ear.**

Wests' rugged tackling produced a host of free kicks from referee Nugent, and two players were booked, **Peter Wilson** for kicking the ball away, and **Bobby Noble** for a foul on Coyne.

Current national squad members, **Peter Stone and Dave Harding** were completely overshadowed in midfield, mainly through **Hermiston's** skill and **Gaffney's** aggression.

City certainly deserved at least a point but again learned the lesson that chances of

# Glykokalamos, Muniz clash after match

By MENO TOUTSIDIS

**Juventus 1 Alexander 0**

**Adelaide Juventus survived a tense first half in Adelaide and eventually scored the goal against Fitzroy Alexander which kept them in third place on the national league table.**

Alexander, which deserved to at least share the points, played remarkably well in the first half and only in the last 20 minutes did they look a beaten side.

**Branko Buljevic, Pat Bannon, George Gillan** and **Jim Tansey** had excellent games and kept the large crowd quiet.

Buljevic, although not as dangerous as when Alexander played West Adelaie Hellas here last month, gave the Juventus defenders some anxious moments and with an ounce of luck could have scored twice.

He wasted a good opportunity in the eighth minute when he sprinted through Juventus' defence but shot over the bar.

Buljevic again miskicked with Juventus' defence disorganised and **Roger Romanowicz** stranded in the opening minutes of the second half.

Alexander's midfield, which dominated for long periods, made full use of **Gerry Marocchi's** absence and made **John Perin** and **Agenor Muniz** look very ordinary in the first half.

However both these players lifted their games and along with **Dixie Deans** set Juventus on the road to victory.

**Muniz combined with Deans in the 66th minute to set up the only goal.**

He found Deans with a good ball and the small Scottish striker rounded **Mike Glyokalamos** with sheer strength and squared the ball to **John Nyskohus** who rammed the ball into an open goal from seven metres.

Minutes earlier Nyskohus, who had a quiet game, lobbed the ball over **Peter Blasby's** head but the ball struck the bar.

Juventus went all out after their goal and **Perin** came close with a tremendous shot which **Blasby** turned over the bar in spectacular fashion.

Alexander offered little resistence in the last 15 minutes and never looked like they could get an equaliser.

Stand-in coach **Tony Boggi** was disappointed after the game that Alexander couldn't get a point after a promising first half which was highlighted with **George Gillan** hitting the crossbar from the edge of the penalty area after 27 minutes.

Juventus coach **Edmund Kreft** was full of praise for Alexander and said they were extremely talented.

**"Let me tell you this — they are a very good side and I am absolutely delighted we didn't drop a point," he said.**

**Muniz** and **Glykokalamos** clashed in the players' race after the game.

**Glykokalamos** was dragged away by his team mates and said: "Ask him what happened. He will tell you."

**Both players fouled each other during the game and they made it quite clear that there was no love lost between them.**

The game was handled by referee **Graham Neale** who gave an impeccable display.

# Vest to coach in Sydney

**Alan Vest (pictured), is definitely returning to Australia to coach a Sydney team.**

**But we won't know until he gets here which team it is.**

**Sydney Olympic? St George? Hakoah? Take your pick.**

**His name had been linked with Western Suburbs but the club strongly denied that rumour.**

**Vest was under consideration for the vacant coaching position at Alexander but decided to go to Sydney instead.**

**Vest was a New Zealand international before coming to Australia as Western Australian coaching director under the Rothmans coaching scheme.**

**He applied for the position of national coach when Brian Green quit and when he didn't get it, he went to England to become Green's assistant at Rochdale.**

**Vest is expected to arrive in Sydney within the next few days.**

# Hakoah running hot and cold

By BILL BAILEY

**Hakoah 1 WA Hellas 1**

**"The enigma that is Hakoah", is the only way to describe the performances of this Sydney team at the moment.**

Some weeks they come out and play like world beaters and the next week they look as if they were from skid row!

They seem to forget how they put it all together after they win a game, and start from scratch again the following week.

There is an abundance of talent at the Hakoah club, but, alas, sometimes all this talent does not seem to be pulling together in the same direction at the same time.

Hakoah could be described as having had hard luck in this game, but they know only too well that in the game of football a team makes its own luck!

In the second half, Hakoah completely dominated the proceedings but could not score.

The only opposition in the Adelaide in this period, was from their attacking defender, **Barry Reynolds.**

For the rest of the time, West Adelaide seemed content to play an ultra-defensive role.

Why this stance was adopted by the South Australians is another mystery, as they have the ability to play an attacking brand of football and have the forwards to score, if given the service.

To watch teams going on the defensive to try to steal a point away from home, makes one shudder, especially when that team is equipped to play bright, attacking football.

West Adelaide Hellas opened the scoring in the dying minutes of the first half, when **Ted De Lyster** scored direct from a corner.

**Farley made a terrible blunder and actually punched the ball into his own net!**

Then, instead of going all out to get another goal, West Adelaide tried to put up a defensive wall and went back to South Australia with only one point instead of two.

**Hakoah's equaliser came in the 77th minute from the disgruntled Bertie Lutton, who decided to play in this game after stating earlier in the week he would not.**

Little **Joe Watson** made all the running on the right and crossed a good ball for Lutton to score with a diving header.

Hakoah's new defender from Aberdeen, **Eddie Thompson,** had a fine debut and looks like a good acquisi-

# THE SAINTS GET STAGE FRIGHT

By TOM ANDERSON

**St. George 0 Lions 0**

**This was the day that all the Saints fans had been waiting for — the debut of the one and only Charlie George!**

Well the "Cheekie Chappie" of British Soccer came and although he did not score, he showed that he is all class with a capital "C".

Unfortunately for himself and the Saints, some of the younger members of the team, seemed to be stagestruck by playing alongside such a personality and they forgot their lines!

Or to be more precise they forgot how to pass the all to **Charlie George** (pictured right).

And for most of the time he was starved of the ball and given no service whatsoever.

The main culprits were the Saints homebred midfield combination of **John O'Shea, Robert O'Shea and Brendan Grosse.**

Their build up was woeful and their distribution shocking.

Had they been able to give George the support and backing he deserved, the goals would have flowed.

It was not until 20 minutes from the end, when Saints coach **Manfred Schaefer** decided to risk the flu riddled **Rudi Gnavi,** did we see the real Charlie George.

Given the support by Gnavi he showed what a great player he is.

At the moment he is at least two yards faster in speed and thought than the Saints players and it will take them a couple of games to get used to him.

After the game, George said that he had got a pleasant surprise over the standard of play in the NSL.

"It really surprised me and our players out there knew what they were about," he declared.

"Also the marking of the Brisbane team was good and they stuck to their task well.

"Believe me, I cannot understand how they have failed to win a game, as they looked quite useful."

George also said that during the whole game he felt as if he was still on the plane and complained of jet-lag.

He only arrived in Sydney of Saturday morning following a long flight from London via the USA).

"Once I get my land legs I will feel much better," he promised.

Brisbanes Lions produced a very spirited and good all round performance.

And in fact at times looked a better team than the Saints.

Unfortunately when it comes to finishing off their good buildups, they just have not got a clue how to stick the ball away.

Until this is rectified then I'm afraid they always will be struggling!

# J.U.S.T. BIDS TO BECOME VIC'S BEST

By LAURIE SCHWAB

**J.U.S.T. 1 Olympic 0**

**J.U.S.T. and Alexander clash at Middle Park on Saturday in a game that could make J.U.S.T. the leading Melbourne team in the national league.**

Alexander is in sixth place with nine points and J.U.S.T. is eighth with eight points. In between them is South Melbourne Hellas, also with nine, but Hellas is likely to lose to West Adelaide Hellas in Adelaide.

What makes J.U.S.T. such a good team is its mobility, speed and of course skill.

All these qualities made J.U.S.T. a much better side than Sydney Olympic last Saturday.

Paul Luckett (Olympic)

J.U.S.T. was a pleasure to watch compared with Hellas, the winner of the earlier game of the double-header.

Whereas Hellas was slow, lifeless, static, unimaginative, J.U.S.T. had verve, vigor, enthusiasm.

J.U.S.T.'s play reflects complete harmony within the club, from president **Tony Kovacs,** to coach **Cedo Cirkovic,** through the committee to the players.

You could tell that the players were really enjoying themselves — that is, all except **Joe Palinkas** who had unbelievably bad luck in front of goal.

Palinkas worked like a Trojan and played some really inspired soccer but when it came to shooting, he couldn't take a trick.

On any other day he probably would have notched a hat-trick and, in fact, J.U.S.T. should have beaten Olympic by at least three goals.

The other two J.U.S.T. stars were midfielder **Joe Picioane** and centre back **Jim Kondarios.**

Picioane has more pure skill than most players in Australia and with a little more concentration he could be among our very, very best.

Kondarios had one of those days when no-one could beat him — neither in the air nor on the ground.

And he capped his great performance by scoring the winning goal with a header from Palinkas' corner in the 81st. minute.

**Frank Micic** went up for the ball, but couldn't reach it properly, so he let it go to Kondarios coming in behind him and Kondarios, unmarked, made no mistake.

Having now taken five points from its last three games, J.U.S.T. is looking forward to even better things when striker **Tihomis Sredanovic** and midfielder **Andrija Ristic** arrive from Yugoslavia.

A big factor in J.U.S.T.'s emergence has been the return of Frank Micic to the side.

Before he came back, the back four were too often left exposed by the midfield but Micic now plays in front of his defence, and he plays the position well.

Olympic, may have done better had it not lost its key player, **George Gibson,** through injury.

He got a knock on the side of the head and also a knock on the leg in the first few minutes and was a passenger until replaced by **Jim Izatt** at half time.

Olympic coach **Bruce Stowell,** who was the Yugoslav Airlines Player of the Year in the NSW First Division last year, said after the game:

"Our midfield didn't come up quickly enough to support attacks. That's where we fell down.

"We troubled them when we did push forward and we were tight enough in the back.

"I knew they broke quickly and wide, so our plan was to always have four defenders against their two attackers and we played it perfectly until very late in the game when they got their goal from a corner forced in a breakaway.

"J.U.S.T. is a good side and they break very well but I thought their defence was there to be exposed."

Olympic's best players were centre back **Greg Allan** and left back **Paul Luckett** who gave **Mendo Ristovski** a torrid afternoon and played many constructive balls as well.

Super-scorer **Billy Pirie** opened well and offered himself all the time but without support from midfield and with the close attention he was getting from Kondarios and **Jim Kriaris,** there was little he could do.

He did manage two great shots, the second of which was held brilliantly by **Dennis Boland.**

If Boland had a good game, then Olympic's **Gary Meier** was absolutely brilliant. It was uncanny the way he kept getting in the way of J.U.S.T.'s scoring attempts.

Highlights of the game were:

15th minute: A Kondarios header is about to enter the net, but **Mike Cross** heads off the line.

20th. min.: **Joe Senkalski** faces an open goal, with Boland down, but he hesitates and when he finally does shoot, the ball hits Boland's leg.

22nd. min.: The miss of the match: Palinkas hooks the ball over the bar from five metres.

30th. min.: Palinkas thinks quickly to get out of a tight situation with a great shot that one-twos between **Alan Parrott,** Picioane and **Zoran Ilioski.**

46th. minute: A great shot by **Jim Milne** sails just over the bar.

50th. minute: Palinkas' shot hits an Olympic player and goes back to Palinkas. He tries again but somehow Meier manages to deflect the ball which bounces and trickles along the line before going out.

65th. minute: Palinkas breaks through after beating a tackle and his shot hits Meier but he could have squared to his right where Ristovski stood unmarked.

66th.: Pirie's shot is held by Boland and within seconds, Boland miraculously gets in the way of a piledriver from **Dave McIntosh.**

68th. min: A free kick by Ilioski comes off an Olympic defender to Milne who lobbed the ball into the goal but the referee ruled offside.

80th. minute Picioane puts a ball through for Palinkas whose shot is tipped over the bar by Meier. From the resultant corner, taken by Palinkas, Kondarios heads home the winning goal.

84th. min: In a fast breakaway, Palinkas spears the ball to Ristovski who heads for goal alone but hits Meier with his shot.

**Olympic's brilliant goalkeeper Gary Meier (right) stretches to get at the ball, but the head of Jim Kondarios get to it first. Picture by SAM BELFONTE.**

# Quagmire tolerated for T.V.

By TOM ANDERSON

**Marconi 0 Canberra 0**

**Had it not been for television committments this game would never have been played!**

Conditions were atrocious and the pitch was a quagmire.

It was not helped in anyway by an early game played before the clash and why this was allowed, it just one more mystery in this mysterious world of Australian Soccer!

The heroes of the afternoon were the players of both sides who acquitted themselves well despite the tremendous handicaps by the conditions that prevailed.

For Marconi, it was not a happy afternoon and they dropped a valuable point, that could have consolidated their position at the top of the NSL competition.

They learned the valuable lesson that mud is the greatest leveller of all in football!

And what a day it was for Marconi's new million dollar import from Bologna **Roberto Vieri** to make his Australian debut.

Vieri, who was expecting sunshine and fine weather in Australia, must have thought he had landed on some godforsaken island in the middle of the gale stricken Atlantic!

However, he did show that he is loaded with class and, given good conditions, will prove a valuable acquisition.

This was a game of two halves, with Canberra having the best of the exchanges in the first and Marconi dominating the second.

In the first 45 minutes Canberra in fact were unlucky not to score and when **Alan Maher** was beatern on two occasions, Marconi defenders were on hand to clear off the line.

In the second half, the best chance of the game fell to Vieri in the 73rd minute, when, with Canberra goalkeeper **Mal Haynes** lying on the ground, he had the goal at his mercy.

Unfortunately for him and Marconi, he pulled his shot inches wide of the upright.

However on conditions such as those, players cannot be blamed for making mistakes.

This Canberra side looked well organised and well drilled. **John Warren** has obviously put in a lot of work on his charges.

Also, and this is an important factor, the players are giving him 100 per cent at all times.

The defence has a solid look about it and plays everything simple, the midfield is workmanlike and their forwards eager and prepared to work hard.

With one really good striker, Canberra will indeed be a force to be reckoned with.

Despite their failure to win on their home territory, Marconi are a good side.

And in fact, must now be favourite to win this year's competition.

Midfielder **Ray Richards** had yet another great game and how this fellow misses out on selection into the Soceroo squad is amazing.

In fact playing alongside Richards and **Jimmy Rooney,** present Socceroo midfielder **Gary Byren** looked like the apprentice beside two brilliant tradesmen!

# Azzurri ends Polonia's run

By MENO TOUTSIDIS

**Azzuri ended Polonia's unbeaten run with a five minute burst which realised three goals in the match of the day at Polonia Reserve, in the seventh round of the SA Championship.**

**Romen Poloczek** gave Polonia a 1-0 lead with a goal after 14 minutes but the Italians equalised with a goal from **Icolaro** who beat keeper **Howie Jacques** with a low shot.

**Simeone** scored Azzurri's second four minutes later and **Joe Serafini** made it 3-1 a minute later.

Lions crushed Victoria 3-1 at Hindmarsh Stadium in an exciting combat.

**Peter Tymczyszyn** scored his second penalty of the season to give Lion a 1-0 lead and **Peter Kowalaski** made it 2-0 with a good shot after a rebound.

**Jimmy Mitchell** reduced the deficit but **Ian Bendall,** in his debut, made it 3-1 just before the end.

Croatia scored a dull 2-0 verdict over Cumberland with **Charlie Harrow** and **Terry Haynes** scoring while Elizabeth finally won a home game, game in their 3-2 win over Para Hills.

**Derek McKay, Laurie Humphries** and an own goal by **Collins** gave City their win. Collins made amends with a goal for Para Hills while **Gardiner** also got on the score sheet.

Beograd beat Campbelltown-Budapest 3-0 with the goals coming from **Duncan** (own goal) **Santrac** and **Russo.**

Polonia heads the table with 11 points from seven games followed Beograd and Victoria on 9 points and Croatia and Azzurri on 8.

Next week's games are — Campbelltown v Cumberland (Newton Sports Field), Azzurri v Beograd (Adey Reserve), Para Hills v Polonia (Paddocks), Victoria v Elizabeth (Blair Athol)

# BLEAK SEASON FOR YUGAL

NSW State League compiled by TOM ANDERSON

**WOLLONGONG 2 YUGAL 0 at the Sydney Athletic Ground, played Sunday - crowd 250.**

Wollongong City continued their good form to win this one away from home.

The game was not a thriller by any means and in fact it was a drab clash for a handful of spectators who attended.

The South Coast team won because they were the fitter outfit and they kept going for the 90 minutes.

Yugal have problems and so far have failed to register a win in the competition this year.

On this form it will be a long time before they manager to break their duck and it looks like a bleak season ahead for them.

Scorers — Wollongong — **Beggs, Kolednik.**

**MANLY 1 AVALA 0 at Cromer Park. Played Sunday - crowd 850.**

It was a very unusual goal that won this game for the

Four minutes from the end, in one of Manly's very rare attacks, they ball spun harmlessly in the air in the Avala penalty area.

Manly defender **Bruce Doyle,** who had followed up play, managed to get to it and hook it over his head for a surprise goal.

For most of the game, Avala attacked but were unable to get the ball past Manly goalkeeper **Chris Cassettari** who was in fine form.

This youngster is one of the most promising custodians in the competition and looks like having a big future ahead of him.

Scorers — Manly — **Doyle.**

Auburn started red hot favorite to win, but failed to produce the goods.

In fact it was Granville who produced the most entertaining football in the first half and they deserved to take the lead when **Kevin Leckey** scored in the 20th minute.

However Auburn did manage to pull themselves together and **Terry Bertram** equalised in the 30th minute.

Auburn had the better of the second half but their finishing left much to be desired.

Scorers — Auburn — **Bertram.** Granville — **Leckey.**

This wasn't a game it was a shame and Croatia won as they pleased.

Before the game Sutherland coach **John Watkiss** declared that he thought his side could topple the competition leaders.

Well he must have forgotten to inform his players on how to achieve this, as they played like a bunch of spare parts.

Once again — and it's becoming a weekly episode in a long running serial — **Atti Abonyi** was the star and chief motivator of Croatia.

He helped himself to two fine goals and the Sutherland defence did not know how to cope with this brilliant Socceroo.

Croatia are now 6 points clear at the top of the competition and are a class above the rest of the teams in the race.

Scorers — Sutherland — **McDonald.** Croatia — **Abonyi**

# LET'S SCRAP STATE TEAM

By LAURIE SCHWAB

**Middlesbrough will leave behind a reputation as the most colorless team to visit this country if it does not play with more verve than it did in its 4-0 victory over Victoria last Sunday.**

*Middlesbrough meets South Australia at Hindmarsh Stadium, Adelaide, tonight (Wednesday) and Australia at the Sydney Sports Ground on Sunday.*

Middlesbrough had nothing to beat in the Melbourne match but that was no excuse for its dull, drab display.

Other visiting teams have been in the same position but they at least gave the crowd something for its money. Remember Glasgow Rangers, Bologna, Tottenham Hotspur, Velez Mostar, Legia Warsaw?

Of course Victoria played better in some of those games than it did against Middlesbrough.

The reason was that the line-ups were better then and that the players tried a lot harder.

**The Victorian State team has been so bad recently that the VSF would be well advised to scrap it until at least after the World Cup and use the national team instead against visiting sides.**

It's lucky that Australia, and not Victoria, is scheduled to meet Bobby Charlton's All-Stars on June 8, otherwise the crowd could have been very disappointing.

Pinpointing the sickness that has hit the Victorians is difficult. They seem to lack motivation. Many of them appeared almost disinterested last Sunday.

Joe Tront — best on ground.

**VICTORIA 0 MIDDLESBROUGH 4 (Maddren 33rd, Mills 44th, Armstrong 55th, Hendley 87th) at Olympic Park, crowd about 6000.**

**Referee: Bambridge 7.**

| | Corners | Shots | Frees | Offsides |
|---|---|---|---|---|
| VICTORIA | 5 | 4 | 15 | 0 |
| M'BORO | 7 | 14 | 8 | 8 |

What a change it was from some Victorian teams of old. In our best years we fought and ran against teams which may have been better but which found it hard to counter Victoria's verve.

Some of Victoria's greatest games included its 0-0 draw with Moscow Dynamo (1971), its 2-1 victory over the Welsh FA XI (1971), its 2-4 loss to Dundee (1972), its 0-2 loss to Santos (1973), its 1-2 loss to Cruzeiro (1973), its 2-3 loss to Ferencvaros (1974, its 2-1 win over Bristol Rovers (1974), its 1-4 loss to Legia Warsaw (1975) and its 2-2 draw with Velez Mostar (1976) in the abandoned match.

There have been outstanding players in the State team over the years — **Jimmy Mackay, Branko Buljevic, Billy Vojtek, Frank Micic, Peter Bourne, Mike Pye, Sandy Irvine, Fabian Juhasz, Mirko Rujevic, Steve Bleszkany, Alistair Scott, George Kinnell, Jock Goodwin, Mike Olinowski, Ian Marshall, Tommy McColl, Doug Utjesenovic** — all players who took pride in representing Victoria and who performed accordingly.

For many years only the best players available were used in the State team because coaches recognised that the fans who pay their money at the turnstiles deserved to see the best.

Obviously there is now a problem due to the conflict of interests between the national league and the State Federation.

On the other hand, in-form players like **Joe Picioane, Joe Palinkas, Jim Kondarios** and others were available and not used.

Good State League players ike **Norm Maitland, Andy Scott, Mick Watkins** and **John Hotson** weren't used either, not to mention big **Steve Walker**, one of the most experienced centre backs in Australia.

**The only Victorian player who deserved praise after the Middlesbrough farce was midfielder Joe Tront of Moorooibark who was probably the best man on the ground.**

And had it not been for **Steve Kokoska** in defence, Middlesbrough may have scored twice as many goals.

Full backs **Jim Milne** and **Fausto Tarquinio** (playing on the wrong side, incidentally) battled hard and goalkeeper **Peter Laumets** made some good saves, although he was jittery.

Forget the rest!

**John Gardiner, Peter Ollerton, Mendo Ristovski,** and **Billy Wilkinson** all have big-match experience yet all were big flops.

**One had to feel sorry for poor Mike O'Hara, who replaced goalkeeper Laumets with only 10 minutes to go.**

Coach **Ron Smith** may have wanted to give everyone a run but sending O'Hara out there cold and stiff, was downright cruel.

He was bombarded before he could limber up and he was made to look unnecessarily bad until he found his feet and twice saved Victoria from a bigger defeat.

On the whole, I've seen better soccer from some of the State League old boys in kick-arounds on Elwood beach than I did from Victoria on Sunday.

This is how the goals were scored:

33rd minute: **Willie Maddren** heads home a corner by **Graeme Hedley**. Everyone walks back to the centre quiet, without congratulations.

44th min: **David Mills** runs onto a through ball, beats **Laumets** and puts it into the empty goal.

55th min: **David Armstrong**, best player for Middlesbrough, cuts in from the left, pursued by **Tarquinio**, and backheads No. 3

87th min: **Hedley** blasts home for the fourth from 25 metres.

**Ristovski** could have put Victoria into an early lead in the 13th minute but he shot over the bar from a lob by **Carl Gilder**.

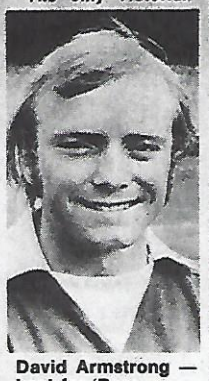
In the 39th minute **Gardiner** placed a free kick square to **Tront** who sent a sizzling shot towards goal but **Pat Cuff** flew courageously to tap it over for a corner.

**Ollerton** had a great chance when he outpaced his defender on a through pass from **Tront** but he shot at goalkeeper **Cuff**.

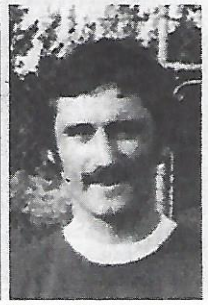
Goal No. 2 — David Mills' shot goes past Peter Laumets. All pictures by SAM BELFONTE.

Goal No. 4 — Mike O'Hara watches helplessly as Graeme Hedley's shot zooms into the net.

Crash — Victoria's Jim Milne (left) and Middlesbrough's Alf Wood go down.



David Armstrong — best for 'Boro.



# Referees are not keeping pace with the modern game

RALE RASIC

**After nine weeks of the national league, the standard of play has reached new heights, interest in soccer has increased throughout Australia and crowds are booming everywhere except perhaps in Sydney.**

The only aspect of the game that's not up to scratch generally is the refereeing.

I would say that many referees and linesmen are not up to date on modern football.

In some cases I would go as far as to say that they are not up to the job.

Let me give you a few examples.

On arrival with my team in one of the capital cities recently I was warned that our opponents would be awarded a penalty kick if we so much as touched No.9 in the area. Sure enough, it was true.

At another game a linesmen gave me dirty looks four times when I disputed his offside decisions.

Each time, the player had run about 20 or 30 metres to the corner and then crossed from the line. Each time the linesman's flag went up but in that situation offside is impossible.

Another time a player tried to score from 35 metres but the linesman put his flag up because two passive men were offside. They could not possibly have had any bearing on that 35-metre shot, yet a free kick was awarded. It was lucky that the shot did not land in the net.

In yet another example, players ran from on-side positions onto through balls yet each time they were waved offside.

As for yellow cards, sometimes they're not given for fouls that lead to broken legs, yet they are shown for a smile in the referee's face.

**I see the situation regarding referees and linesmen as the biggest problem of the league.**

Quite clearly, they must brush up on the way modern soccer is played.

For one thing, I do not believe in the use of interstate referees to guard against home-town refereeing.

There is a good reason to believe that referees from the smaller states are not as up-to-date with modern soccer as those from the bigger states.

I concede that everyone is entitled to make mistakes but as I see it, if these mistakes are made because of lack of knowledge, then surely it's largely a matter of increasing that knowledge.

## Pitches should be fenced

After the unfortunate incidents after the Hellas Adelaide v. St. George match it's time we started waking up to the fact that big-time soccer demands that pitches be fenced.

I honestly believe that Australian spectators are among the most orderly in the world but it takes only one idiot to start trouble and to have other idiots following him.

A big business like, the national league should not allow itself to be ruined by idiots.

In South America they have five-metre deep channels, filled with water, plus wire fences around their soccer pitches.

Liverpool was once ordered to build a fence to separate the Liverpool supporters from the Manchester United supporters in England, in order to avoid trouble.

The code of soccer was harmed by the headlines in the **Sydney Sun** and other papers after the fracas in Adelaide.

Had the pitch been enclosed, the trouble could not have happened.

The players of St. George and Hellas made every attempt to protect the man in black. Clearly the players had no hard feeling towards him, even though some of the spectators weren't quite as reasonable.

Even if the referee had made some bad decisions, the players accepted him as a colleague and defended him. They and the referee himself were risking their lives.

I sympathise with clubs which may regard the cost of fencing as a heavy financial burden but wouldn't we all sympathise more with the relatives of the referee and of **George Harris** of St. George had they been killed in Adelaide?

Thirty years of George Cross

# THEY'RE SICK OF SECOND BEST!

**Always the bridesmaid, never the bride. That's been the sad lament of Australia's top Maltese club, George Cross, which is 30 years old this year.**

"Georgie," as it's affectionately known, has been runner-up eight times, but has never won a State League championship.

Now the players intend to change all that!

They're undefeated after six matches, and they have a goal average of 10.3, the best in the league.

It certainly looks like they're heading for their first title.

There can be no excuses this year, as Hellas and J.U.S.T. are not in the league.

George Cross finished second to Hellas in 1965, 1972 and 1974 and was pipped at the post by J.U.S.T. in 1973.

"Georgie" also came second in 1959, 1960, 1961 and 1964.

Last year there was nothing more appropriate than the fact that George Cross is sponsored by Courage Breweries.

The players certainly showed courage, plus dedication, grit and determination, in lifting themselves from near the bottom of the ladder into the top four.

If they recapture that spirit, they'll win the league in a canter.

However, the players need something to play for.

**If the Maltese people were to come to the games and support the club instead of staying away in their thousands, the players would find it a lot easier to produce their best.**

And the club itself would find it easier to make ends meet.

George Cross has a proud tradition and if it gets the support it deserves from the Maltese community the club could even go as high as the national league.

Like all clubs, the Cross has had its problems and its high points over the years since its formation in 1947.

**The successes include its Australia Cup victory in 1964, two Dockerty Cup wins and, most recently, the snaring of the State League Cup in 1973, the Ampol Cup in 1974 and the Armstrong Cup in 1976.**

The low points included a bad run in the early 70's — including an 11-0 loss to Juventus in 1970, and relegation from Second to Third Division back in 1952.

But George Cross' biggest problem is that it does not have a ground it can call its own.

Over the years the team has been based at many grounds, including Royal Park, Campbell Reserve in Moreland, the Olympic Village track in Heidelberg, the Melbourne Showgrounds, Selwyn Park in Sunshine, St. Kilda Cricket Ground, Schintler Reserve in Footscray and now Olympic Park.

**Lou Kastner**

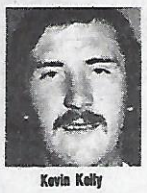
LOU KASTNER, goalkeeper, now in his 15th season with George Cross. Played for Nuernberg juniors in West Germany before coming to Australia at the age of 14. Played about 14 games for Victoria and was in Australia's 1969 World Cup squad.

**Alex McConville**

ALEX McCONVILLE, full back, Scot who joined the club in 1973. Aggressive, uncompromising type who likes to come forward.

**Norm Maitland**

NORM MAITLAND, centre back, played for Distillery in Northern Ireland, joined George Cross in 1972 and has represented Victoria.



**Kevin Kelly**

KEVIN KELLY, utility player who's served as striker, midfielder, full back and centre back, apart from Kastner, he is George Cross' longest-serving player, and has been club captain.

**Paul Deeming**

PAUL DEEMING, midfielder, hardworking player who was with Melbourne and Sunshine City before joining the Cross.

**Derek Barron**

DEREK BARRON, full back, attacking type who joined the Cross early last year after playing with Celtic juniors in Glasgow.

**Billy Wilkinson**

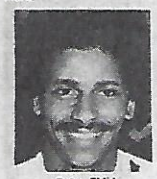
BILLY WILKINSON, player-coach had about 300 games for Hull City in England before being transferred to Rotherhan for $20,000. Also played for Durban Celtic in South Africa and for the Boston Minutemen in the U.S., where he was voted American Player of the Year. Joined early this year as replacement for last season's player-coach Ken Wagstaff.

**John Webb**

JOHN WEBB, midfielder who has also played centre forward and centre back, bought in 1974 from Keilor-Austria, the club with which he won promotion into the State League in 1971.

**Paul Murphy**

PAUL MURPHY, midfielder or forward who has also played sweeper. Irishman who played for Bangor and joined the Cross in 1973. He scored 21 league goals in 1974, one less than Jim Armstrong of Hellas who topped the scorers' list. Murphy joined Hellas in 1975 but returned to the Cross last year to become the team's leading scorer once more.



**Peter Ebini**

PETER EBINI, forward, imported last year from South Liverpool.

**Rob Cullen**

ROB CULLEN, forward, played Scottish Junior football before joining the Cross early last year. Was one of the league's top wingers in 1976.

**Don Lawler**

DON LAWLER, forward from South Africa, has been with the Cross for about three years.

**Damian Murphy**

DAMIAN MURPHY, followed brother Paul to Australia and played in the side that won the Armstrong Cup last year.

Thirty years of George Cross

# Australia Cup, 1964: (

By LAURIE SCHWAB

**George Cross was founded in 1947 by a group of prominent Maltese people including C. W. Sandham, the first president, the late Danny Gatt, also a president, and Charles Gatt.**

It used a pitch at the Royal Park complex for its games and St Mary's Hall, in Howard Street, North Melbourne, for club meetings.

Third Division champion in 1949, George Cross failed to continue its good form and after struggling for a while, was relegated back to Third Division in 1952.

Long-serving president Lou De Bono — it was he who made George Cross great.

The late **Lou Debono** took over as president and served at the helm every year except one until 1966.

**It was he who made the daring switch from an all-Maltese team by introducing two Englishmen and a Scot to the side.**

Some of the early non-Maltese players included **Jock Swan, "Tom" Trinder** and **Stan Stacey**, now soccer writer with the **"Sporting Globe"**.

Other greats of the early years were **John Calleja, Charlie Camilleri, Joe Guacci, Charles Gatt, Tony** and **Lolla Vella, Vince Muscat, Paul Zammit, Hugh McVean, Pat McKenna,** and **Bill Copeland** who left and returned four times.

In 1953 George Cross won the Third Division championship and the following year it took the Second Division title in both the first and reserves.

In 1955 the Cross added the Junior (under 23) "World Cup" to its collection of trophies but it fared badly in the league, finishing last with eight points and being relegated back to the Second Division.

The "Malta" team that won the 1958 Laidlaw "World Cup." The team is made up mainly of George Cross players. Can you name them? Here's a little help: the first three, standing from left, are: Sacco, Tony Vella, Hobson. In the middle of the front row is Abela.

The worst losses that year included 1-9 to J.U.S.T., 0-6 to Brighton, 0-5 to Moreland and an incredible 5-10 to Hakoah.

The Second Division of 1956 comprised the following: George Cross, Geelong, Hellenic, Park Rangers, South Melbourne Utd., South Yarra, Sunshine City, DSC Wilhelmina, Yallourn and Victorian Colts.

The First Division was: Box Hill, Brighton, Footscray City, Hakoah, J.U.S.T., Juventus, Polonia, Moreland, Prahran and Slavia.

George Cross finished seventh in the Second Division, won that year by Wilhelmina. Juventus, meanwhile, won the First Division championship for a record fifth successive time.

**In 1957 F. Tabone of Collingwood took over from J. Zammitt of W Richmond as club secretary and George Cross won the Second Division championship with 28 points, from Hellenic and South Melbourne, both with 26.**

However, it was knocked out of the Dockerty Cup 3-2 by Box Hill in the third round.

In the First Division, J.U.S.T. broke Juventus' run of championships and Moreland broke Hakoah's four-year run of Dockerty Cups.

**M. Ellul** of Fitzroy became club treasurer in 1958 and he was to be one of the club's longest-serving officials.

The First Division was called the State League for the first time in 1958 and **Lou DeBono**, president of George Cross, was on the league management committee.

The club's new ground was Campbell Reserve, Moreland.

George Cross started the year brilliantly, winning the Ampol Cup in the final against J.U.S.T.

**Former Floriana (Malta) star Tony Vella was captain-coach that year and he also inspired the Cross' win of the "World Cup" as Malta.**

The State League had been enlarged from the previous 10 clubs to 12 and George Cross finished eighth.

This was the ladder: Juventus 35 points, Wilhelmina 31, Moreland 28, Hakoah 28, Box Hill 25, Polonia 24, Slavia 24, George Cross 18, Geelong 17, J.U.S.T. 15, Hellenic 10, Brighton 9.

The Cross' worst result that season was its 12-0 thrashing by Hakoah.

This was also the season that Makedonia bobbed up for the first time — in the Provisional League, as well as Olympia 1956, which later became Keilor City. Other clubs formed in 1958 were Melbourne University which started in Second Division North, Austria Melbourne (now Keilor) in Second Division South and Croydon, also in 2nd South.

**In 1959 George Cross won the Sun Cup, State League Cup and Dockerty Cup in a particularly good season.**

It was only the second time the State League Cup had been run. The first year, 1958, it had been won by Juventus.

Despite the Cross' good form, it did not manage to win the championship, having to be content with second place behind Wilhelmina.

Its results in the Dockerty Cup were: 3-1 v Footscray, 3-0 v Moreland and 3-3, 3-2 and 3-1 v J.U.S.T. in the final. Yes, it took three games to decide that final!

George Cross moved to the Olympic Track of the Olympic Village in Heidelberg for its 1960 home games and its new secretary was **Mike Scicluna** of Yarraville, while Ellul remained treasurer and DeBono president.

This was the year that one of the eventual State League giants, South Melbourne Hellas, won promotion from the First Division.

George Cross, on the other hand, had to make do with second best again, this time to Polonia which won the championship with 37 points, while George Cross had 36.

Former star player **Stan Stacey** who, incidentally, made a brief "comeback" in the Press v Referees (1-1) match at Olympic Park last year, became George Cross' secretary in 1961 and served in that capacity for three or four years.

The committee included **C. Buttigieg, P. Privitera** and **P. Vidal.**

George Cross' influence in Association affairs increased that year, with Lou DeBono being elected to the VASFA Council, to serve alongside other council members **John D'Andrea, Morrie Buckner** who later became **"Sun"** soccer writer, **Kurt Defris,** still with Hakoah, **C. Dodd, C. Harris, S. Horrobin, John Ivanovic, F. Lang, Theo Marmaras,** now president of the VSF, **John Oliphant, S. Rubenstein, Fred Villiers,** now a prominent soccer writer, chairman **Bill Thomas,** deputy chairman **J. Paul** and treasurer **A. Kerr.**

**George Cross started the 1961 season by winning the Ampol Cup final against J.U.S.T. but in the league the Cross finished second again. It was becoming monotonous!**

Polonia won the championship with 35 points, George Cross had 32, Wilhelmina 30 and Hakoah 27.

In the Dockerty Cup the Cross reached the final but once again had to settle for second best, being beaten 4-2 by Polonia.

The 1961 team was: **Hobson, Fred Falzon, Sacco, McKenna, Muscat, Tony Vella** (captain-coach), **Lolly Vella, Hodgson, Abela, Zielienski, Copeland.** Reserves included **Nelson, Terry, DeBono** and **Baric.**

**Horst Zielinski**, from Germany, had all the skills and goalscoring flair to make him an outstanding player in the league, but unfortunately a broken leg put him out for a long time.

Bill Copeland, former a Hakoah's goalkeeper.

George Cross winger Lolly who was the team's player-c goalkeeper Jankovic, with R post.

It was a formidable team but Polonia's was a shade better. That's the reason Polonia and not George Cross won the championship that year.

Polonia's line-up reads like a who's who of Victorian greats: **H. Gronowski, Gaslor, Szepanski, Janczyk, Maruszkiewicz, Dudon, R. Gronowski, Gross, Jurecki, Gamaj, Dronia.** Subs: **Szygalski, Guardiani.**

George Cross maintained its nomadic habits in 1962 by shifting from the Olympic Village to the Melbourne Showgrounds.

Once again the Cross failed in the league, coming fifth with 28 points, behind Hellas 32, Juventus 30, Wilhelmina 30 and J.U.S.T. 29.

However, it was a very successful season in other ways.

**First, George Cross won the Dockerty Cup, played for the first and only time in two groups, with the top two of each group going into the finals.**

In the semis, George Cross beat Polonia 2-0 and in the final downed Hakoah 3-0.

Also, in 1962, full back **Fred Falzon** won the Argus Medal as the State League's best and fairest player for the second time in a row.

Cassar (right) scores against Hellas goalkeeper Tsitsos, with Hellas player Ted Smith in the background.

George Cross fullback Eddy Sacco (centre) watches a much to the relief of Hobson (right) and Cassar (left).

Falzon, who had epresented Malta 10 times, had left his Maltese club Hamrun Rangers in 1961 and won his first Argus Medal in his first season with George Cross.

Falzon, 27 years old in 1962, the year the Victorian Soccer Federation took over from the old VSFA, played with George Cross for six seasons. He later transferred to Pan Hellenic for about $4000, returned to Malta and joined Melita Eagles when he came back to Sydney.

In 1963 George Cross moved from the Showgrounds to Heidelberg and **Joseph Micallef** took over temporarily from Lou DeBono as president.

The club got a taste of Australia Cup competition that year, losing to Polonia on penalties (full time 0-0) in the second round. Polonia went on to reach the final, in which it was beaten 2-3 by Slavia, **Des Palmer** scoring all of Slavia's goals.

Talking about goals, the Cross' top scorer that year was **Dalli** who got 10.

That made him sixth on the scorers' list behind **Jankowski** (Polonia) who had 21, **Jurecki** (Polonia) 14, **Piki** (J.U.S.T.) 13, **Fernie** (Croatia) 12 and **Mladenovic** (J.U.S.T.) 11.

In the league, George Cross finished third with 28 points, behind J.U.S.T., 34, and Polonia, 32.

The year 1964 was the greatest in the history of George Cross so far.

It was a significant year in many ways.

For example, 1964 was the year in which the VSF competitions were reorganised into their present form of State League and four divisions of the Metropolitan League.

The reorganisation saw the affiliation of present-day clubs Moorooibark, Hercules (Princes Park), Chelsea, Ajax (Green Gully), Albion Rovers and Waverley.

The Other newly-affiliated clubs, Huntingdale, Flemington and Melita didn't last long.

As part of the reorganisation, Ballarat, Seymour, Yallourn, Geelong, Geelong Scottish, Corio and Bell Park returned to their country districts.

George Cross had Lou DeBono back as president, **Stan Stacey** returned as secretary and the new treasurer was **E. Duck.**

Players recruited for the 1964 season were **McDaid, McPherson, Brown** and **Goldie.**

**A star that year was that great winger Archie Campbell, who, together with George Cross team mates Hobson, McIvor and Goldie were picked for the State team.**

**Hobson, McIvor** and **Campbell** were in the team that beat Preussen Muenster of West Germany 2-1 in front of 17,000 people at Olympic Park, although it played for 30 minutes with only 10 men after **Vero Mladenovic** had gone off due to injury.

Campbell was again in the team alongside giants like **Putkowski, Raic Rasic, Van Alphen, Margaritis, Jurecki, Zientara** and **Stankovic** when Victoria beat FC Basel of Switzerland 3-2 in front of 15,000 people.

**Goldie** and **Hobson** were there when Everton of England beat the Vics 3-1 and George Cross was again well-represented in the State team that lost 3-4 to Queensland and beat Tasmania 7-1.

**It was a year of big-time soccer and big-time players but the biggest event of the year was the Australia Cup, and George Cross won it.**

In the first round the Cross beat North Perth 2-0 with goals by **Campbell** and **Hodgson.**

J.U.S.T. 2-1. Again the scorers were **Campbell** and **Hodgson**, while **Archie Blue** scored for J.U.S.T.

The Cup was being sponsored by the Italian Airline Alitalia, so it was fitting enough that George Cross' opponent in the final should be Sydney's Italian club APIA.

The final was played in Melbourne on November 1, in front of 15,000 people — which was a record crowd for the competition.

**The match went into extra time but finally George Cross won 3-2, with a little help from APIA which scored two own goals through Fil Bottalico and Ernie Ackerley. The other goal came from — you guessed it — Archie Campbell.**

**Falconer** and **Jaros** scored for APIA.

The George Cross team, coached by **Manny Poulakakis**, was: **Hobson, Sacco, McDaid, Brown, Adams, McPherson, Campbell, Goldie, Hodgson, Petersen, Copeland.**

So the Cross became one of only three Melbourne clubs to win the now defunct Australia Cup. The other two were Slavia in 1963 and Melbourne in 1967.

In the State League, George Cross was again runner-up but the reserves won the championship.

In 1965 **Campbell** missed four months due to injury and the Cross sold **Goldie** to Cumberland of Sydney.

New player **Mayle** scored handy goals but the backbone of the team was **McPherson, Brown, Sacco, Hodgson** and **Adams.**

Mayle had the distinction of scoring in every one of George Cross' finals matches in the Australia Cup.

In the team's 3-1 win over Juventus in the quarter-finals, he scored two and **Barry Horsfall** the third.

**Horsefall**, by the way, became one of the Cross' most prolific goalscorers.

In the sem-final, played home and away, **Mayle** scored the Cross' only goal away in its 1-4 loss to Hakoah Sydney and the only goal at home in its 1-2 loss.

George Cross back, Fred Falzon, tackles Archie Blue of Slavia (left) with brother Joe standing by.

Before **Campbell's** injury, he and **McIvor** represented Victoria against Moscow Torpedo (0-4). **Goldie** played in the second match (1-4) and **Hobson** and **Hodgson** were in the team for the 0-1 loss to Chelsea.

Hellas won the championship that year and of course, George Cross finished second, with Juventus third and Slavia fourth.

One consolation was that the Cross won the Ampol Cup. This was the year that Alexander won promotion to the State League for the first time, to replace Triestina (Essendon City), which was relegated.

**In 1966 George Cross moved to yet another new ground — this time Selwyn Park in Sunshine, now used by Albion Rovers. Many fans thought the Cross made its biggest mistake when it let that ground go.**

The committee was **Lou DeBono**, president; **Stan Stacey**, secretary; **H. Duck**, treasurer; **L. Schembri**, vice-president; **C. Cutajar, A. Attard, J. Gauci, P. Vidal, N. Vidal.**

Hellas won the championship in 1966 and 1967 was Melbourne's big year (Australia Cup and championship), while George Cross finished eighth with 17 points.

In 1968 the Cross left Selwyn Park to make Olympic Park its headquarters. **Alf Attard** was on the VSF Board of Management and **Paul Borg** was secretary.

This was the start of a bad period for the Cross.

**It finished sixth behind Croatia, Polonia, Hellas, Hakoah and Lions and the following year, in 1969, it slipped to second last.**

The club used St Kilda Cricket Ground for its home matches that year and despite its poor form, it nevertheless had two players in the State team — goalkeeper **Lou Kastner** and forward **Nick MacCallum.**

**Kastner was also in Australia's World Cup squad that year. Unfortunately the Socceroos failed by one goal to reach the finals, otherwise Kastner would have gone to Mexico as well.**

The championship was won that year by J.U.S.T., coached by **Raic Rasic** who was then learning his trade, and Box Hill was relegated.

The year 1970 was another disastrous one for the Cross. This time based at Schintler Reserve, the team finished ninth while Juventus won the championship and Slavia was relegated.

**It was the year that George Cross suffered one of its biggest defeats — 0-11 to Juventus in the Dockerty Cup.**

The magnititude of the defeat had only a little to do with the fact that Kastner was injured during the game, forcing forward **Ian Reid** to stand in goal, for the defence gave Reid practically no cover at all.

The George Cross team that black day at Middle Park was: **Lou Kastner** (injured); **Kevin Kelly, Bobby McLachlan, John Sanchez, Derek Ricks, Horst Friedeberg, John Gardiner, Kevin Walker, Ian Reid, Jim Smart, Dario Epifano.**

**Smart** had been signed from Lions that year and **Epifano** from Juventus.

**John Pryde** was bought from Juventus and **Tommy Fox** imported from Scotland.

**Bobby McLachlan** (ex-Box Hill, Croatia, APIA) and **John Sanchez** (an Argus Medallist with Slavia) formed the basis of the defence which improved during the year to lay the basis for 1971, when the team climbed to sixth on the ladder while J.U.S.T. won the championship.

**Joe Bartolo** had taken over as secretary-manager in 1970 and he proved an able administrator over a period of about five years.

**John Borg** was also an active administrator during this period. He was to become VSF treasurer in 1972.

George Cross started the 1971 season crippled by a strike over wages by star players **Kevin Walker, John Gardiner, Jim Smart, John Pryde** and **Lou Kastner.**

All were put on the transfer list by the club but after further peace talks only **Pryde** and **Smart** were transferred — Pryde to Lions and Smart to Juventus, while the others returned to the fold.

When the rebels came back, all except Kastner regained their first team spots. Kastner had been displaced by **Lou Ivanoff**, bought from Makedonia.

This was the only time in the past 10 years or so that Kastner was not the No. 1 goalkeeper. He was to change that the following year and last year he was honored for his long service by a testimonial match at Olympic Park.

**With the stars back in the side in 1971, George Cross played its remaining 14 matches without defeat — winning six and drawing eight.**

What's more, **John Gardiner** won the inaugural Rothmans Medal, which had taken over from the Argus Medal as the official VSF best player award. It was an incredible win as Gardiner had missed so many matches.

Gardiner was also the team's top scorer with seven goals that year, and Epifano was another outstanding player.

**Gardiner won the Rothmans Medal again in 1972 and, for good measure, added the Bill Fleming Medal as the Player of the Year.**

It was a good season for George Cross. The team reached the Dockerty Cup final, losing the replay 1-2 to Juventus after a scoreless draw, and came second in the league, behind Hellas on goal average.

It was the year that **Tom Clarke** was recruited from Hellas and **Norm Maitland** from Ireland.

Clarke scored 15 goals to become the club's leading marksman, ahead of Epifano, 10, Kelly, 9, and Gardiner, 6.

In 1973 **Joe Cunningham** and **Alex McConville** were added to the team.

**Cunningham had an incredible year, scoring 23 league goals plus eight cup goals, making him the top scorer in the league.**

At the end of the 22-round season, George Cross was at the top of the State League ladder with 31 points but J.U.S.T. had two games in hand and won them 1-0 against Juventus and 2-1 against Melbourne to snatch the title.

But the Cross got some compensation from winning the State League Cup final 3-0 against Hakoah, with goals from **Frank McArdle**, 2, and **Cunningham**, and a superb goalkeeping exhibition from **Kastner.**

Cunningham scored five goals in the Cross' three State League Cup matches.

**Tom Clarke** had revived the Cross' old tradition of goalscoring centre forwards and Cunningham had carried on where Clarke left off.

## Thirty years of George Cross

# Murphy sold

From page 9

**Irish import Paul Murphy maintained the tradition in 1974, scoring 21 goals to finish only one goal behind Jim Armstrong of Hellas and unfortunately miss out on the $1000 Courage top scorers' award.**

George Cross gained the **Webb** brothers—**John** and **Barry** — that year, from Keilor Austria but **Cunningham** and **Derek Ricks** went home to the U.K.

The year started well, with the Cross winning the Ampol Cup by beating Melbourne 2-1 in the final. Goalscorers were **Kelly** and **Paul Deeming** while **Alistair Scott** scored for Melbourne.

In the league, George Cross finished second once again. Hellas was on top with 33 points, the Cross had 29, J.U.S.T. 28 and Alexander 27. Austria, with six points, was relegated.

In 1975 **Paul Murphy** was sold to Hellas for about $6000. **Jim Smart** was bought back from Juventus and **John Howie** was bought from Slavia.

Howie, a State player, left soon after the Cross had paid his transfer fee.

**The reason? He joined the Hare Krishna movement!**

Another new player was **Francis Mifsud** from Malta.

It was Alexander's year. The Greek club won the State League title with 32 points, from Hellas, 28, Mooroolbark 28, and J.U.S.T. 25, George Cross came seventh.

**Ken Wagstaff, prolific goalscorer in England, and a star with Hull City, took over as player-coach in 1976 when George Cross was floundering near the bottom of the ladder.**

**Rob Cullen, Peter Ebini** and **Derek Barron** were also imported and **Paul Murphy** was bought back from Hellas.

All this brought about an amazing change in the team, so much so that the Cross finished in fourth place after having earlier looked the No. 1 candidate for relegation.

It also won the Armstrong Cup for reserves.

And all this without the team star, **John Gardiner**, who had been sold to Essendon Lions after a long period of animosity between him and the club.

The final 4 of 1976 was: Hellas 37 points, J.U.S.T. 28, Mooroolbark 27 and George Cross 27.

This year the Cross has gained a prolific scorer in **Ken Reed** and a fine leader in **Billy Wilkinson**. At the time of writing this, George Cross was undefeated and, hopefully, heading for its first State League championship since its formation in 1947.

Don Hodgson rises high to get to this ball ahead of his team mate Hans Petersen. Hodgson later played for Box Hill and Petersen for Hakoah and Caulfield City.

Ken Wagstaff — he was the man behind George Cross' success last year.

# Hotson and Watkins spell danger

By LES SHORROCK

**The Victorian State League programme resumes this week after the break for the Middlesbrough match and it's a round full of interest.**

The two unbeaten leaders, George Cross and Hakoah, both face hard games.

On Saturday the Cross meets Juventus and Coach **Bob McLachlan** is sure to ginger up Juve, for they must win to remain in touch with the leaders, and a loss would see them seven points behind.

This game will be won in the midfield, I feel, and a lot also will hinge on how the Georgie backs cope with **Watkins** and **Hotson**, Juventus' flying wingers.

If **Norm Maitland** and his defenders can contain the Juve attack, the Cross will win.

**Slavia meets Frankston City at the Showgrounds, and although Frankston's defence has conceded only three** it could falter gainst Slavia's firepower, for **Gilder** and Co. have scored 14 goals already.

Hakoah visit Sunshine where they haven't yet scored a goal, losing 0-2 last year and 0-1 the year before.

Sunshine have been blowing hot and cold. Against Makedonia they had a brilliant first half and nearly threw the game away in the second half.

**Ray Pocock** is playing brilliantly, and a win here could hoist Sunshine into the four.

The Green Gully and Makedonia clash is full of imponderables.

Gully are an improving team and they now have the Malta captain **Alfred "Willie" Vassallo** to add to **Jim McGill** and Co.

On the other hand Makedonia have disappointed so far and there is some unrest at the club. Coach **Mike de Bruyckere** has gone, **Brian Edgley** turned down the job, and it looks as though **Frank McAleer** will get the nod.

Makedonia are relying too much of **Frank Campbell** to score their goals and I think the Gully will shock them.

Essendon Lions is another very disappointing outfit, and now the news is that **John Kennedy**, with 20 stitches in a gashed knee, is out for five weeks.

**If Dime Petrovski's** knee has not recovered, it looks like a baptism for young **Danny Lacok.**

**I think that Altona, with only one loss in six games, could be too direct for Lions.**

In the remaining game, Ringwood City, boasting the best striker in Victoria, will be too strong for Polonia, who may be relegation-bound.

How **Andy Scott** is not good enough for the Victorian squad is the eighth wonder of the world to me. He's already knocked in six goals in only four games.

Likely winners in capitals.

**Saturday: George Cross v Juventus (draw). Sunday: SLAVIA v Frankston City, GREEN GULLY v Makedonia. Essendon Lions v ALTONA CITY, SUNSHINE C v Hakoah, RINGWOOD CITY v Polonia.**

# Hard cash will lift the standard

KNUT WERNER

**One of the pleasant things about being involved in soccer is that one gets to imbibe at high-noon on a Sunday free of charge.**

Gin and tonics and fattening cake were the rage at Melbourne's Hilton hotel for the press introduction of "World Of Soccer's" International tournament.

World of Soccer is a privately owned company which has signed up four teams to compete in three tournaments, each carrying $25,000 prize money.

Of all the gods that look after soccer in this country — Mars, god of war; Thor, god of thunder and Olympic Park pitch conditions; Bacchus, god of wine, fertility and wild behavior — I feel that the most successful for Australian soccer will be Mammon — god of moola, coin, groschen, bucks or whatever you want to call the filthy folding stuff.

The name of the game is soccer, the name of great soccer is incentive.

Incentive is a word as foreign to last Sunday's Victorian team as is mud-flaps to a fish.

**In fact I think this team slumbers under a dety of its own** — Hypnos, or the Roman Somnus, the god of sleep, and did the players please their god!

In fact they gave an offering of about 6,000 sacrifices at Olympic Park.

The general public which has long been bedevilled by indifferent displays by players in international matches deserves to get its money's worth at Olympic Park.

And Olympic Park's turnstiles are not slow in the art of coin levitation from all those who seek to pass.

So it stands to reason that teams entering the pitch with the added excitement of becoming a little richer in direct proportion to their exhibition, will transmit this excitement through their game.

It seems that at the moment some of out teams may be treating the spectators with disdain.

"God I wish those screaming, shuffling people would shut up or go home so we could go on with our little, eh.-..what do you call it...that's it, game without all these distractions."

Could the above be an attitude?

It is an attitude I did not find at Melton last Saturday in the under nine match between Melton South and my god-child Adam, where the boys tried their hardest to please the spectators and the spectators were lavishly entertained.

On the "Soccer Action" points system each member of both team gets 10, with the Green Gully striker and the Melton keeper a 10 plus.

Oh, by the way, Green Gully was the team that helped my god-child score the three to nil result.

Another advantage of the proposed International Tournament is that the thing is over in four days.

It'll be a tight, quick episode that avoids losing supporters' interest by dragging on over several weeks.

Get in, get on with it, get out, thanks for the money, good-bye.

One of these activities every three of four months of the year and I think the soccer public will be well served.

Also, private enterprise has a way of generating interest and enthusiasm far beyond an establishment of committee types whose payments come in ego-cents.

# Brighton, Doveton to clash

**Metropolitan League Round seven provided a few shocks, most notable being the first defeat of Doveton by Richmond and this, coupled with Brighton's fifth successive win, enabled the latter to reduce the leaway to one point. These two meet on Saturday in what should be a battle royal.**

Albion Rovers continued on their merry winning way and in racing parlance, the result of this division looks like Albion first and daylight second.

The Metro is so poor now that Albion could finish the season undefeated.

The most interesting division continues to be the Third, as ever.

Chelsea, with a good win at Port Melbourne, have taken over and don't forget they still have that game in hand.

Knox City got back on the winning trail and Coburg and Broadmeadows aren't out of it either, so this could be very exciting before the end of the season.

In the fourth division, Doncaster won its seventh straight and Morwell had a meritorious win at Monash.

This week's games:

**First Division:** **Saturday:** CROYDON v Western Suburbs, KEILOR CITY v Melbourne, Dandenong v ALBION ROVERS, WAVERLEY CITY v St Albans.

**Sunday:** Keilor v ARDEER, BOX HILL v Springvale C.

**Second Division:** Bell Park v RICHMOND, Doveton v Brighton (draw), South Melbourne v FERNTREE GULLY, MORELAND v Collingwood C, Moorooibark v FITZROY, Footscray v Eltham (draw).

**Third Division:** CHELSEA v Park Rangers, ESSENDON C v Moorabbin, Yallourn v PORT MELBOURNE, Heidelberg v KNOX CITY, PRAHRAN C v Broadmeadows, COBURG v Ringwood.

**Fourth Division:** Sandringham v DONCASTER R, South Yarra v Monash Uni (draw), BALLARAT v Mornington, Caulfield v Clayton (draw), Rosebud v CORIO, MORWELL FALCONS v Uni Of Melbourne.

# Keilor beats Wests, Veljanovski fires

Western Suburbs suffered two blows during the week. First they parted company with their coach, Hugh Murney, and then they were beaten 2-1 by Keilor City.

In the Second Division, Richmond fielded its $1400 signing from George Cross, **Kire Veljanovski,** who promptly scored the winning goal in Richmond's 2-1 victory over Division leader Doveton.

Richmond also scored Doveton's goal, through Skinner who unfortunately put it into his own net.

## First Division

ALBION ROVERS 3 CROYDON CITY 0

Croydon team: R. Lawton, M. Kupinic, T. Alsop, D. Ward, C. Ogden, T. Kelly, C. Murphy, M. Sinclair, J. Wylie, J. Blacker, M. Lynn.

Albion went a goal up at the 20 minute mark with a quick break down the middle. The shot on the run from outside the area rocketed into the top corner of the net.

Croydon went in at the break just the one goal down and with the last use of the wind at least a draw looked likely.

**Charlie Murphy** was having his best game since coming from Slavia and along with **Tom Kelly** and new signing **Mike Sinclair** from Moorooibark was expected to get on top in the midfield in the second half.

Albion however had different ideas and their tactics into the wind proved a winner. They had an extra man in the midfield and attacked in numbers only on set piece plays. This bottled up the Croydon attack and all but nullified the wind advantage.

Albion went further ahead 10 minutes into the half when **Billy Rae** got behind the Croydon back four to gather a chipped pass. He cleverly rounded **Roy Lawson,** the Croydon keeper, and walked the ball into the net.

The final goal came just before the time when Albion floated in a free kick from just outside the area. The Croydon defence failed to get the ball away cleanly and in the resulting scramble the ball went in.

Best for Croydon were **Charlie Murphy, Tom Kelly,** and **Tony Alsop.**

The Reserves game finished in a 1-1 draw with **Steven Hibbert** scoring for Croydon. Among Croydon's best players were **Geoff Gerrish, Mark Brown** and **Steve Hibbert.**

**WESTERN SUB 1 KEILOR CITY 2**

**Scorers 45th V. Kotevski, 50th E. Degabriai, 94th Penalty for West.**

**Keilor team: Schirripia, Paiczny, Karlevski, Kosievski, Altheim, Korrisiwis, Prealiski, Leaves, Kotevski, Martina, Degabriai.**

**Keilor's keeper made some brilliant finger tip saves.**

**ST. ALBANS 0 BOX HILL 5**

**Scorers: Berardini, Taylor 3 incl. 2 penalties), Corke.**

**St. Albans: Pimopoulos, Linhart, Rennie, Nikolic, Cauci, Biewer, Lopatic, Greer, Denson, Njegac, Fernandez.**

**Box Hill: Morgan, Laplah, Smale, Corke, Hall, Wasilyck, McLeod, Owen (Brown), Berardini, Tulfield, Taylor.**

**Box Hill missed many chances in atrocious conditions but is running back into form after an indifferent start to the season.**

## Second Division

RICHMOND 2 (Poci, Veljanovski) DOVETON 1 (Skinner o.g.)

Richmond team: Schultz, P. Dodin, Barnes, Skinner, Damaschun, Arendt, Bachhofer, Veljanovski, Willenberg, Straubinger, Poci.

Richmond played some fine soccer to beat high-flying Doveton which had previously looked like the certain league champion.

Richmond fielded forward **Kire Veljanovski,** bought from George Cross for about $1500 and he rewarded the club for its interest by scoring the second goal.

BRIGHTON 4 FOOTSCRAY J.U.S.T. 1

Scorers: Chadwick 2, Advent 2. Footscray: Whelan O.G.

Brighton: Bryden, Whelan, Parry, McDonald, Gapper, Williams, Shedden, McCalg, Advent, Chadwick, Harrison, Attard, Tubb, Nikolic.

ELTHAM 1 MOOROOLBARK 1.

Scorers: S. Pongho 16mins. (Mooroolbark) L. Gooney 20 mins. (Eltham).

Eltham: D. Dick, A. Lee, M. Cirka, (J. Rattray), G. Kirkwood, M. Radojcic, A. Raynes, R. Curcija, F. Vivarini (D. Spaniak), T. Watson, J. Cochran, L. Gooney.

M'bark: C. Taylor, T. Pappas, M. Shuttleworth, D. Black, D. Abram, E. McConville, N. Murray, R. Rye, S. Pongho, R. Priestly, G. House (N. Pendry) (K. Smith).

Eltham came close to opening the score in first few minutes when Les Gooney hit the post with a header. Mooroolbark went ahead after 16 minutes when S. Pongho scored from close range in a goalmouth scramble.

Les Gooney struck back 4 mins. later when he headed a fine cross by Rajho Curcija to level the scores.

FERNTREE GULLY 5 (Hampson 3, Robinson, van der Hoek) BELL PARK 2 (Muntoz 2).

FTG: Holt, Johnson, O'Hare, Teeuw, Sjo, Clarke, Rubens, Robinson, P. Vanderhoek, H. Vanderhoek, T. Hampson.

Bell Park: Kurtovic, King, Huddart, Talef, Hay, Kovacef, Witecki, Milanovic, Munoz, Cueli, Ortiz, Ristevski, Nestrovski, Rhodes.

Within a few seconds of the kick-off G. Robinson (FTG) scored with a carbon copy of the goal he netted in last week's game against Richmond.

It was not until the 26th minute that Peter Vanderhoek scored from a move initiated by captain Johnson, master of the overlap.

At 43 mins. Munoz broke through to make the half time score 2-1.

A smart move by coach, Alan Stenhouse, saw the front line rearranged with tall speedy Tommy Hampson in the middle.

His job was to chase long balls down the centre and it paid off for the janky Liverpudlian to score a splendid hat-trick with goals at 51, 65 & 66 mins.

Munoz (Bell Park) got one in at 63 mins. which gave a goal scoring spree of 4 in a quarter of an hour of exciting play.

COLLINGWOOD 4 (Koullacus, Loukas Nicolaides, A. Ferentis) STH MELB. HELLAS 3.

Collingwood: Sgourais, Koutrovelis, Loukas, Tsiapos, Peppas, Koullacas, Saxinidis, Gamurellis, Feretis, Kakwis, Nicolaidis (Subs) Lambropoulos, Vasiloglawaropoulos, Pappas.

Hellas: Tsatsakis, Mamatis, Sasmanis, Hatzinokolis, Kalafatiotis, Sakas, Stamatelos, Lapehwa, Samiadis, Mamanouis, Tsaknis, (Subs) Kostopoulos, Pozen, Kalafatidis of Sth. Melbourne was sent off in the second half. Best players for Collingwood were Peter Tsiapos (Best on Ground), Jim Loukas and Jim Saxinidis.

South Melbourne scored after 10 min. Collingwood came back and equalised through Dinios Koulkacas.

At half time the score was 2-1. In the second half Collingwood came back and after 20 minutes in the second half full back Jim Loukas ran down and scored. Ten minutes later Chris Nicolaides scored as he saw the gap and put it in the back of the net.

Not long after Jim Saxindis got the ball and went for a great run and was unlucky not to score as it hit the post but it was finished off by Angelo Ferekis.

The game was getting tense and Hellas scored nine minutes before the end.

## Third Division

RINGWOOD 1 PRAHRAN CITY 5

Scorers: Ringwood: I. Johnson 60 mins. Prahran: Brian Gomez, 1st, 30th, 31st, Graham Hollingsworth 28th, Donovan De Cerfe 89th.

Ringwood: Gibbons, Bumstead, Casey, Bakker, Newhoffer, Johnston, Gibston, Dalton, Doughty, Skinner, Porigho.

Prahran: D. Gillespie, G. Hay, J. Kosa, Z. Lazaravic, B. Glenn, R. Brown, D. De Cerfi, McEchinny, McCallum, G. Hollingsworth, B. Gomez.

Prahran opened in great style when Graham Hollingsworth put a great ball through for Brian Gomez to smack into the back of the net. One minute gone and Prahran were one up. Gomez is making a habit of scoring in the opening minute as this is the third time, having previously scored first minute goals against Essendon and Moorabbin.

Prahran's next goal came from Gomez's fellow Canadian countryman Hollingsworth who received a great ball from Pat McEcchinny to make it 2-0 after 28 mins.

Prahan's midfield trio of McElhinny, Marshall McCallum and Ronnie Brown took control completely, spraying balls out to Donovan De Cerff on the right wing and Brian Gomez on the left. It was Gomez who completed his hat-trick by first cheekily rounding Gibbon, the Ringwood Keeper, and walking the ball into the net.

**Alan Sjo (left) Ferntree Gully's former Slavia defender, tackles a Bell Park opponent.**

A tackle finally stopped Senor Gomez, who was substituted by Steve Ward, Prahran's new signing from St. Albanss. Half time R'Wood 0 Prahran 4.

Prahran's Best: Brian Gomez, Donovan De Cerff, Pat McElhinny.

PARK RANGERS 0 ESSENDON CITY 1

Scorers: Penalty to F. Fragale.

Park Rangers: Payne, Semini, Hume, Ashton, McCormack, Allen, Tierrey, Kakoras, L. Tierny, Michaelopoulos, Visic.

Essendon: Poropat, Viti, M. Tribuzid, D. Capponi, Vesnaver, F. Tribuzid, Berni, Dilizza, Pagliasso, Papadapolous, Fragale, Marcalo.

Essendon City again had a new player in their line up, Phillip Pagliosso, recently acquired from Essendon Lions.

He was a steady and very useful player throughout.

Best players Essendon: Bernie, F. Tribuzio, Park Rangers: D. Semini, McCormack.

CHELSEA 2 PORT MELBOURNE 1.

Chelsea proved that they are the best side in Third Division. In the first half the game was even with both sides missing the opportunity of scoring.

In the second half, Port Melbourne scored first with a spectacular goal from 30 yards out. The goal was a turning point as Chelsea began to play more fluent soccer with each player putting more effort into their game.

Good build up from the defence to midfield created a chance for **J. Irvine** who when beat two defenders and slammed it into the back of the net.

Eight minutes later Chelsea were still applying the pressure and **J. Irvine** finished it off with another fine goal.

Best for Chelsea: G. Haupt, V. Finlay, B. Dobbing, J. Irvine, K. Wheller, I. Young.

## Fourth Division

DONCASTER ROVERS 4 SOUTH YARRA 1

Scorers: R. Forsyth (Don.Rov) 2, Anselma (D/Rov) 2, Gallaghor (S.Y.) 1.

Ballarat: Romein, Fugiel, Arts, Hegert, Rykers, Ives, Gunn, Hollywood, DeLucca, Stirling, Smith.

Clayton's goalkeeper, a 16-yr-old, played very well.

Ballarat scored from a penalty taken by Stirling.

### Provisional League

*DIVISION ONE*

HAMLYN RANGERS 1 FAWKNER 1

Fawkner, with first use of the wind, scored in the 10th minute through Schipano but failed to take a stranglehold on the game when Bazzano, Baravelli and Epifano failed to covert their chances.

Rangers applied the pressure in the second half, although Fawkner looked dangerous in breakaway moves.

Finally, at the 88th minute, Fawkner were punished for failing to clear a long free kick into the penalty area and conceded an own goal.

Best for Fawkner: Baravelli, Rosetto, Vecchiatto.

GREENSBOROUGH 2 GEELONG 1

Scorers G'boro: H. Smith (20 min. penalty), H. Smith (Penalty) 70 min. Geelong: N. McKeg (65 min.)

G'boro: D. Payne, H. Smith, B. Bass, S. Griffin, R. Koenen, H. Robertson, C. Norris, C. Ellis, H. Ellis, G. Stafford, K. Beard (Sub) D. Beer (70 min).

Geelong: E. Nelson, S. Kardy, J. Barber, R. Hardy, A. Ogilvie, C. Hardy, K. Meadows, H. Priest, S. Burns, P. Gray, K. Prior (Sub. N. McKeg) 60 min.

Geelong were straight into attack from the kick off and had the Boro under pressure for 15 min. First Norris cleared the line then Robertson.

A great ball from Stafford found Beard's head but Geelong's Hardy charged into his back and a spot kick was the result.

Smith coolly stuck the ball into the net. (20 min.).

The Boro had their tails up and put Geelong under pressure for the rest of the first half with ex-Box Hill striker Griffith laying off great ball and had the Boro taken their time they could have been 3 goals in front.

The 2nd half was great stuff with both teams going all out. Ellis and Koenen were burning for the Boro. A long ball from Ogilivie found Gray who smashed a first time shot but Payne pushed the ball over the bar.

Then Boro picked up a loose ball and Koenen layed the ball on to Robertson. A freat through ball to Stafford who beat two Geelong players but Barber took the pins from the Boro forward and another spot kick with Smith repeating the dose.

Geelong were tiring and Boro, pushing up, paid the penalty Geelong broke out and had the Boro stretched. A great move saw sub. McKeg score from 2yds (65 mins). The Boro should have added to their tally but Smith was too late with his pass.

Best for Boro: Payne, Ellis, H. Ellis, Stafford.

Best for Geelong: Gray, Burns, Ogilvie, Priest.

B. Skelly and G. Savannah both sent off for fighting just before half time.

A greatly improved and stronger Langwarrin from last season were yet another team to expose South Dandenong's 'hardness' in front of goal and weakness in several departments.

Game became a little 'ugly' at times and one suspects the 'South' dislike for the hard 'European' tackling (two players replaced through injury) had a lot to do with this. However, no question that Langwarrin were superior and deserved their win.

# Fus, Cesljar top scorers

*By RON DARLINGTON*

**Five of the six teams leading their division retained their position after Round 5 of the Industrial League championship. The only team to slip was Public Works 'A' who were held to a 1 all draw by A.C.I. Box Hill.**

Pegasus improved their goal average at the expense of Bowater Scott doubling their goals — for tally, **Stephan Fus** scored four of the six and was the rounds top marksman, with **Ivica Cesljar** of AR Split.

McColl Dynamo 'A' remain in second place on goal average after their 4-1 victory over Kodak United. Both sides conceded an own goal and **Dragan Pantic** scored the other three.

The injury-hit Melbourne Meats team are still finding the going rather hard and lost at home to Ford Falcons. The Meatmen led 1-0 at half time but couldn't hold the Falcons after the interval.

Another team to lead 1-0 at the interval was Tarax and they also lost because R.A.C.V. scored twice in the second half. These two goals came in a quick burst midway through the half from **Eddie Widera** and **Bernard Klimeckl.**

Repco Richmond have still to break their duck this time going down to W.D. & H.O. Wills 2-3. Repco had the better of the first half and led 2-1 through goals by **George Guleridis** and **Con Angelovski** but allowed Wills to take over in the second half and paid the penalty.

In Division 2 the airlines are still grounded. League leaders, Sperry Vickers led Ansett by a disputed goal at the interval but had more of the play as the game progressed and added to the score through an own goal.

T.A.A. went down 2-5 to Middle Park V.R.I. 'A' in an ill tempered match and this was the same score by which Siemens 'A' recorded their first league win in beating A.N.Z. Bank 'A'. Reports have it that Siemens only attacked seven times and scored ton five of them whereas A.N.Z. found the woodwork had an attraction for their shots.

Public Works 'A' and A.C.I. Box Hill shared the points in a game that needed firm control.

The top of the table clash in Division 3 between Colyer Watson because they improved the margin and won 5-0, **Ivica Cesljar** scoring four, but they still trail Travellers Melbourne in Division 4 North on goal average.

Rovers and Diecraft lived up to expectations. Man of the match was Rovers **Ray Pisani** who kept a tight grip on Diecrafts ace striker, **Miladen Mutic.**

Mutic did get away once to open the scoring but **Morris Paalia** levelled the score direct from a corner just before half time.

The draw for round 3 of the Black Douglas Cup was made at the last Management committee meeting and is as follows:— Bowater Scott McColl Dynamo 'A', Melbourne Meats A.C.I. Box Hill, A.R. Split Public Works 'A', Ford Falcons Pegasus, Colyer Watson R.A.C.V., L.E.T.S. Sperry Vickers, Repco Richmond Taxation United, W.D. & H.O. Wills Diecraft.

These matches will be played on Sunday, June 12th, kick off 10 am.

**Mario Matassini** had another great game in goal for Diecraft and made several good saves to keep the eager Rovers forwards out.

A hat-trick by **Dennis Frangopoulos** for Leyland was not enough to see them home againt Reyrolle United who scored four to win the match.

McColl Dynamo 'B' consolidated their lead at the top of Division 4 East by beating Keeley United 1-0 through an 85th minute goal scored by **George Selemidis.** McColl took this match very seriously and played first teamers, **Barry Horsfall** and **Greg Power** and a new signing from Melbourne **Meats, Ken Waugh.**

A.R. Split and A.G.C.F. had a replay of last week's Black Douglas Cup match. A.R. Split must have got the measure of A.G.C.F.

Frank McLintock

## McLintock retires

**LONDON — Frank McLintock, who led Arsenal to its English League and Cup double in 1971, ended a distinguished soccer career, spanning 17 seasons, at Loftus Road here.**

It was not a winning farewell for the 37-year-old Queens Park Rangers defender — Rangers were held to a 2-2 draw by Birmingham — but police battled to hold off hundreds of fans who mobbed McLintock after the match.

The former Scottish international, who played a total of 610 league matches with Leicester, Arsenal and Rangers, lost his shirt in the commotion and the fans left the pitch only when the floodlights were switched off.

There was action of a different sort in Birmingham where Aston Villa finished its season on a high note by thrashing neighbour West Bronwich Albion 4-0 in the only other First Division match.

Prolific scorer **Andy Gray** capped his successful season by scoring a hat-trick.

The game also marked the end of a fine playing career in England by West Bromwich player-manager, **Johnny Giles,** who has resigned to return to his native Ireland.

Meanwhile, Jimmy Bloomfield, manager of Leicester City since June 1971 resigned after a week of speculation that he was to be replaced by Frank McLintock, the club's former defender.

Bloomfield, 43, joined Leicester from Orient after taking the London Club to the Third Division championship.

## Germany honors Overath

**West Germany's 1974 World Cup winning team turned out in full recently to honor one of the country's all-time greats, Wolfgang Overath of 1.FC Koeln (Cologne).**

West Germany played against Koeln in Overath's testimonial match, watched by 60,000 people.

Overath played in the West Germany side, although he is captain of Koeln. West Germany won 4-1 with goals by **Paul Breitner, Gerd Mueller, Bernd Boelzenbein** and **Overath,** while **van Gool** scored for Koeln.

The West German team was: **Sepp Maier; Berti Vogts, Georg Schwarzenbeck, Franz Beckenbauer, Paul Breitner; Rainer Bonhof, Uli Hoeness, Wolfgang Overath; Juergen Grabowski, Gerd Mueller, Bernd Hoelzenbein.**

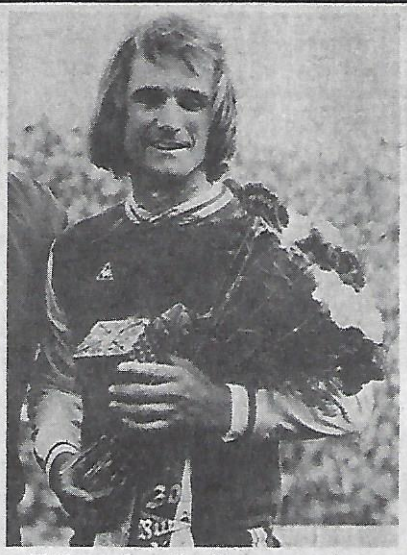
Overath, 33, has been with Koeln for 15 years, since 1962, and has played more than 400 games and scored 82 goals for the club.

He was in the national schoolboys team at the age of 12 and in 1961 and 1962 played in the UEFA youth tournament in Portugal and Rumania.

His first match for West Germany was in 1963 and since then he has played 81 internationals.

**He took part in the 1966, 1970 and 1974 World Cup finals and Australia's national team players of 1974 will remember him well because it was Overath who scored the first goal in West Germany's 3-0 victory over Australia at Hamburg's Volksparstadion.**

On November 6, 1968, Overath was picked for the FIFA XI which played against Brazil in Rio.



**Wolfgang Overath with presents given to him at his testimonial match.**

## Swiss-rolled

BASLE, — A headed goal in the 70th minute by substitute right-winger Kudi Mueller gave Switzerland a 1-0 win over European champion Czechoslovakia in a friendly international here.

It was the first goal the struggling Swiss national side had scored in five matches and its first international win in just over a year.

Czechoslovakia, fielding six of the squad which beat West Germany in the European championship final last year, gave a colourless performance auguring badly for its remaining matches in World Cup qualifying group Seven against Scotland and Wales.

It was the Czechs' third successive defeat this year.

ZIKA NIKOLIC

# MALO JE 1:0

**Dupli program u Middle Parku nije doneo ocekkivanu posetu, jer vreme nije najbolje. Kisa, vetar i hladnoca uticali su da mnogi ostanu kraj toplih ognjista, jer su znali da ce uvece ipakk videti najbolje delove obe utakmice. Medju 4,500 gledalaca bilo je vise plavih navijaca nego Grka, sto je takodje iznenadjenje.**

Na kraju je JUST bolju igru i nadmocnost krunisao zasluzenom pobedum. PLAVI su jedini klub u Philips Nacionalnoj Ligi bez novih i zvucnih imena medju igracima, koji ni jedanput nije razocarao gledaoce svojom igrom. Ovoj momcadi nedostaje samo jedan iskusan igrac u navali, jer prilika ima na pretek. Do sada smo deset puta culi i procitali da igraci iz Jugoslavije dolaze iduce nedelje. Izgleda da ce se ta obecanja ponoviti jos nekoliko puta dok se ne ostvare.

Ali ni ovako nije lose. JUST je dao Olympicu iz Sidneja dva gola (jedan je ponisten zbog pasivnog ofsajda), a Olympic ni jedan iako navalu predvodi najbolji strelac Skotske. Iskusan lisac Pirie imao je samo jednu polusansu, koju je idealno iskoristio, ali je JUST imao Bolanda na golu, koji se bacio kao panter na podmukliu loptu.

Najbolje sanse je imao Joe Palinkas. Dve njegove rakete iz daljine, odlican golman Olympica jedva je izbio u korner, ali se zato Palinkas obrukao pred praznim golom. Dva je promasio, a treci put je morao dodati Mendi Ristovskom. Pored svega Joe Palinkas je sa Parrottom i Ilioskim bio zvezda JUST-ovog tima. Ustvari niko nije igrao slabo. Pobedu je doneo Kondarios deset minuta pre kraja, kada je glavom postigao neodbranjiv gol.

Iskustvo kapitena Franka Micica je pomoglo da "plavi" dobiju bitku na sredini igralista, gde su igrali mirno i zrelo, ali su napadali kao uragan preko brzih krila. Odnos kornera 15:6 za JUST.

Sastav JUST-a: Boland, Parrott, Kazi, Kriaris, Kondarios, Milne, Palinkas, Micic, Picioane, Ilioski, Ristovski. Na klupi su sedeli: Rujevic, Smith i Litwin.

Iduca utakmicu JUST igra opet u subotu na Middle Parku protiv Aleksandra. Branko Buljevic prvi put nastupa protiv bivseg kluba. Videcemo

### POCELE SU PRIPREME ZA NAJVECI TURNIR

Pripreme za najveci nogometni turnir u Australiji su pocele dva meseca ranije. Engleski menadzeri su upoznali predstavnike stampe sa svim pojedinostima. ZVEZDA, ARSENAL i CELTIC dolaze sa najboljim sastavima. Zvezda i Celtic su nacionalni prvaci, dok je Arsenal u odlicnoj formi. Nedavno je pregazio naseg Hajduka sa 5:0. Ova tri kluba se do sad nisu susreli, iako su odigrali rekordan broj interenacionalnih utakmica. Na turneju polaze zajedno i uzece ucesce na tri turnira. Prvi je u Hong Kongu od 10. do 16 jula, zatim u Singapuru od 18. do 23. i u Australiji od 27. do 31. jula. Kao sto je ranije objavljeno ZVEZDA i CELTIC se sastaju u Sidneju 27. jula, a ARSENAL i AUSTRALIJA iste veceri u Melburnu. Pobednici igraju u Melburnu 331. jula, a pobedjeni u Sidneju.

Reprezentacija Viktorije je grdno podbacila protiv engleskog drugoligasa Middlesbrough. Nije sto je izgubila sa 4:0, vec je igrala bez sistema i odusevljenja.

### JOS JEDAN PORAZ DRUGOG TIMA

Drugi tim JUST-a je ponovo igrao slabo. Poveli su protiv Brightona sa 1:0, ali su u drugom poluvremenu igrali neozbiljno i izgubili sa 4:1. Umesto da igraju za svoj tim, nekoliko igraca smo videli medju gledaocima na Middle Parku. Drugi tim JUST-a je nastupio u sledecem sastavu: Stefanides, Karic, Mikulcic, Aceski, Dimovski, Petrovski, Tome, Taleski, Grbac, Belic, Jovanovski (Stojcevski), Tomic.

Iduce subote drugi tim igra na svom igralistu protiv Elthama. Rezerve pocinju u 1 sat, a prvi timovi u 2.45 po podne.

### PROVIZIONALNA LIGA

Posle dva uzastopna poraza INTER se trgao i zasluzeno pobedio borbeni tim Frankston Pines sa 2:1 (2:0). Vetar je bio jak i ometao igru, ali se je Inter bolje snasao, spustio je loptu na zemlju kad god je bilo moguce. Golove su postigli Dragisa Petric sa 11 metara i Zvonko Bartol. Protivnik je postigao gol direktno iz kornera

Milosavljevic, Andrija Dovic, Cetinic, Matanovic, Belurov, Ivanovic, Pantic, Bartol. Bolji od ostalih bili su Andrija Dovic i Zvonko Bartol. Iduce subote Inter igra u Werribee-u protiv istoimenog kluba, ali pojacan. Ocekuje se povratak kapitena Franje Drozdeka i stopera Mirka Bekera, koji nisu igrali nekoliko utakmica zbog povrede.

Carlton/SRBIJA je igrala 1:1 (0:0) sa Keysborough. Strelac za Carlton: Grnja. Carlton je bio nadmocniji celo vreme, ali pred protivnickim golom se mnogo okolevalo. Sastav Carltona: Pavkov (Seles), Milinov, Ceranic, Djordjevic, Dodig, Velickovic, Krnic, Bjelogrlic, Grnja, Samanovic (Veljovic), Ivkovic. Istakli su se Dodig, Velickovic i Krnic. I rezerve su igrale 1:1. Iduce subote Carlton igra protiv West Melbourne na Royal Parku.

### PEGAZUS DOBIO TARAX IZGUBIO

U Industriskoj Ligi PEGAZUS je prosle nedelje pregazio Bayswater sa 6:1. Raspolozeni Stjepan Fus je postigao 4 zgoditka, a Vili Cvcar 2. Iduce nedelje decki su gosti Ford Falcona.

TARAX opet nije nastupio kompletan. Veterani se tesko oporavljaju od povreda. Ovog puta su naisli na tvrd orah, jer za RACV igraju bivsi igraci Polonije. Medju njima ima dosta mladih, koji mogu jos kako da potrce. Kod Taraxa polovina igraca ima utaclovane noge, ali se ipak lako ne predaju. Ceda Cirkovic je malo trcao, ali je namestio dva "sitera" Adamovicu, od kojih je same jedan iskoriscen. Pored toga Cira je imao peh, jer je pogodio stativu. Tarax-ova krtica je Misden Kreisinger. Pobedili su Poljaci sa 2:1 (2:1). Oba gola su uletela u Tarax-ovu mrezu nekako sasavo, jer je golman Sandor Kazi branio povredjen. Sastav Taraxa: Kazi 6 (Ross 6), Rankovic 7, R. Kressinger 6, Davis 6, Cirkovic 6, Brkic 6, Milanovic 6, Rusmir 6, M. Kressinger 7, Adamovic 7, Kostromin 6 (Milicevic 5)

Posle utakmice Tarax i Pegazus imaju mali piknik. Uz pomoc Svete vlasnika mesnice DUNAV uvek se pripremi nesto dobro za jelo, sto se po nasem obicaju uvek prelije sa nekom kapljicom.

### JUNIORI JUST-A

Prosle nedelje su igrali sami juniori ispod 13 godina. PLAVI su pobedili borbeni time MELTON "A" sa 2:0 (1:0). U drugom poluvremenu lopta nije presla ni jedanput na JUST-ovu polovinu. ### ΓΙΑ ΤΟ ΚΑΛΟ ΤΟΥ ΣΩΜΑΤΕΙΟΥ

"Εχετε ποτέ ρωτήσει τόν έαυτό σας, τί εἶναι αὐτό πού κάνει ἕνα σωματεῖο ἐπιτυχημένο;

Εἶναι τά ἔπαθλα πού ἔχει κατακτήσει στήν διάρκεια τῆς ἱστορίας του; Οἱ ἀκρι βοπληρωμένοι παίκτες του ἤ ἡ θέση του στόν βαθμολογικό πίνακα τοῦ κάθε πρωταθλήματος;

Ἀναμφισβήτητα ὅλα αὐτά εἶναι συντελεστές στήν εἰκόνα τοῦ ἐπιτυχημένου σωματείου ἀλλά ἡ βάση δέν βρίσκεται ἐκεῖ. Βρίσκεται μέσα στό Διοικητικό Συμβούλιο στήν ὁμάδα τῶν ἀνθρώπων στούς ὁποίους τόσο τά τακτικά μέλη μέ τήν ψῆφο τους, ὅσο καί οἱ ὁπαδοί μέ τήν ὑποστήριξή τους ἀνέθεσαν τίς τύχες τοῦ συλλόγου. Καί ἡ βάση ἑνός ἐπιτυχημένου Διοικητικοῦ Συμβουλίου εἶναι ἡ ἑνότητα μεταξύ τῶν μελῶν του.

Εἶναι οἱ ἄνθρωποι πού παίρνουν ἀποφάσεις οἱ ὁποίες ὑποτίθεται ὅτι εἶναι πρός τό συμφέρον τοῦ Σωματείου καί ὄχι δικό τους.

Δέν εἶναι λίγα τά παραδείγματα πού ἕνα διαβρωμένο συμβούλιο ὡδήγησε τήν ὁμάδα σέ καταστροφή.

Παραδείγματα σέ Εὐρωπαϊκές ἐπαγγελματικές ὁμάδες μέ ἐτήσιο τζίρο ἑκατομμυρίων δολλαρίων, ἔχουμε ἀρκετά, ὅπως ἔχουμε καί παραδείγματα μικροτέρων ὁμάδων.

Πολλές φορές ἡ διαμάχη μεταξύ μελῶν τοῦ Συμβουλίου ὡδήγησε τίς ὁμάδες σέ ἀπώλειες βαθμῶν καί ὄχι λίγες φορές σέ ἀπώλεια τίτλων. Ἀκόμη γιά τήν χειρότερη περίπτωση σέ ἀπώλειες ἱκανῶν ποδοσφαιριστῶν καθώς καί ἱκανῶν συμβούλων..

Τελευταία ἔχουμε συνηθίσει νά φορτώνουμε τήν εὐθύνη σέ «προβοκάτσια» ἤ «προβοκάτορες». Στήν περίπτωση τοῦ ποδοσφαίρου καί εἰδικώτερα στό Δ. Συμβούλιο ἑνός σωματείου δέν ὑπάρχουν «προβοκάτορες» καί «προβοκάτσιες». Μόνον ἄνθρωποι πού δέν μποροῦν νά συννενοηθοῦν μεταξύ τους ὑπάρχουν καί ἡ ἀσυνενοησία φέρνει τό πεῖσμα καί τό πεῖσμα δημιουργεῖ ..πεισματάρηδες. Ἀνθρώπους πού δέν θέλουν νά παραδεχθοῦν τήν γνώμη ἑνός ἄλλου συμβούλου καί παρουσιάζονται σάν ἀπό μηχανῆς θεοί πού θά δώσουν τήν κατάλληλη λύση τήν τελευταία στιγμή.

Αὐτοί λοιπόν οἱ ἄνθρωποι δέν λέγονται προβοκάτορες. Λέγονται καταστροφεῖς τοῦ Συλλόγου καί τοῦ ποδοσφαίρου. Φυσικά ὑπάρχει καί ἡ ἄλλη πλευρά. Αὐτοί πού κάθονται καί δέχονται τέτοιες καταστάσεις ἀσυνεννοησίας μέσα στό Συμβούλιο.

Καί στίς περισσότερες περιπτώσεις δυστυχῶς ἔχουν τήν μειοψηφία.

Καί ἀρχίζει στό τέλος ἡ δυσμήνιση τοῦ σωματείου ἀπό ψευτοεμπιστευτικές εἰδήσεις καί ἐκμυστηριεύσεις ἑνός συμβούλου τῆς μιᾶς παρατάξεως, οἱ διαφεύσεις ἀπό τήν ἄλλη παράταξη καί στό τέλος οἱ ὁπαδοί τοῦ σωματείου ἀγανακτοῦν μέ τήν ὅλη κατάσταση καί ἀποχωροῦν ἀπό τά γήπεδα ἀφήνοντας τά Συμβούλια νά ἀποροῦν. «Μά τέλος πάντων τί θέλουν νά κάνουμε;»

Τότε μόνον φαίνεται ἡ πληγή. "Οταν ἀποχωρήσουν ἀπό τά γήπεδα οἱ φίλαθλοι. "Οταν κατέβει ἡ ὁμάδα στό γήπεδο καί παίξει μπροστά στούς Συμβούλους, τούς δημοσιογράφους, τούς φωτογράφους καί τούς πιτσιρίκους πού μαζεύουν τήν μπάλλα. Τότε ἀρχίζουν νά σκέπτονται τί φταίει. Καί ὅμως εἶναι τόσο ἁπλό. Ἡ ἀσυνενοησία μεταξύ τους φταίει. Οἱ προσωπικές προκαταλήψεις φταίνε. Ἡ ἀδυναμία τῶν Συμβούλων νά καθήσουν κάτω καί νά βάλουν τά πράγματα στήν θέση τους φταίει.

Δέν ὑπάρχουν λοιπόν προβοκάτορες καί προβοκάτσιες. "Ισως ὅλοι νά θέλουν τό καλό τοῦ Συλλόγου καί ὁ καθένας πιστεύει ὅτι μέ τόν δικό του μόνον τρόπο θά λυθῆ τό πρόβλημα.

Ὁ μοναδικός ὅμως τρόπος γιά τήν καλυτερη λύση εἶναι μόνον ἡ συννενόηση μεταξύ τοῦς. Αὐτή εἶναι ἡ βάση γιά τήν δημιουργία ἑνός ἐπιτυχημένου ποδοσφαιρικοῦ σωματείου. Καί ἀκόμη ἡ μόνη λύση γιά τό καλό τοῦ σωματείου.

# Rangers open appeal

Paddy Mulcahy (back row, fourth from right), with the Park Rangers Dockerty Cup winners of 1949, back row from left: Stephen (sec), Insley, Patterson, West, Weight, Mulcahy, Nelson, Thorpe (coach), Ashenhurst. Front: Highet, Dickinson, Guy, Holder (captain), Wilson, Mackie, Gillis, president G. Gini (circle).

**Paddy Mulcahy, well known soccer star with Park Rangers during their Dockerty Cup winning years in 1948 and 1949, met with misfortune when his home at Trentham was destroyed by fire last week.**

Fortunately his wife **Margaret** and family of 10 all escaped, but the house and belongings were destroyed.

An appeal has been opened by **Richie Fox**, one of Paddy's old team mates, to help the family in its hour of need. President, **Chris Payne** says present day members will be asked to support the appeal.

Paddy, in his prime, was one of those people who enjoyed soccer for the best of reasons — as an amateur — and brought many hours of pleasure to others by his enthusiastic bombardment of his opponent's goal.

Those who would like to donate to the fund, can forward contributions to **Mr R. Fox**, 23 Pamela Street, Mount Waverley.

**Jock Stephen** will be pleased to hear from friends at P.O. Box 134, Kew 3101 with offers of help. All donations will be acknowledged.

## A view from the junior ranks
### BY LEIF JENSEN

**I have been going on about parents and coaches screaming on the touchline for some time now. Well, it appears that the screaming, swearing and spitting is catching on.**

I had the displeasure of watching an U/13 team play the other week and the language used by these boys was really something.

How their parents and their coach puts up with it I don't know. If an official referee had been in charge, half of these boys would have been sent off, and rightly so.

It is obvious that these filthy habits are developed by youngsters watching and copying adults.

I would like here and now to appeal to all parents, coaches and referees: Let's put a stop to this kind of behavior from our young boys, and you referees please don't hesitate to send offenders off because if nothing else will cure this trend, to be sent off certainly will!

The other thing I have noticed creeping into some of our junior teams is a tendency to play the game very rough — big boys tackling with only one thing on their mind (and this I am afraid, they are being taught) — to stop the boy with the ball.

They should surely be taught that the aim is to get possesson of the ball, not to send the guy with the ball flying, with the risk of an injury to either boy. So let's start showing boys how to tackle correctly and in turn save a few from injuries.

Last but not least, **cut out the tackle from behind.** There are at the moment a lot of people in English soccer who want tackling from behind to be punished by an automatic send-off and I must agree because of all fouls, this one would be the most dangerous and dirty.

It nearly always injures the boy who is brought down and to me it takes the cake for dirty play.

Let us coaches try to stop these things and at least keep junior soccer clean.

**The question in the Dunlop ball competition is: "WHAT IS THE MOST EXCITING THING THAT HAS HAPPENED IN ONE OF YOUR GAMES?"**

The best letter will once again be published and you will of course win the Dunlop soccer ball, which by the way is the same ball that was used in the Middlesbrough — Vic. game.

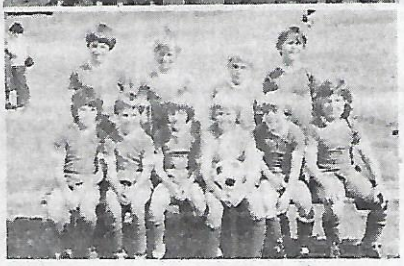
Don't forget our goalkeeper contest. Let me know today about the boy saving all those penalties.

## DUNLOP WINNER

**The winner of the Dunlop soccer ball this week is Scott Johnstone, 9, of 6 Opal Street, Forest Hill, Vic.**

**He answered correctly that Jim Shoulder is Australia's national coach.**

**Runner-up prize of free tickets to the national league match between Alexander and J.U.S.T. at Middle Park on Saturday goes to Peter Borg, 11, of 16 Pyalong Ave, Rosanna.**



# Basis for future

Victorian club Box Hill has a sound basis for the future in its junior ranks.

Pictured above are some of the players the club hopes will be stars in years to come.

ABOVE, the under 10B's, standing from left: D. McCulloch, R. Van der Beal, J. Patos, A. Bicknell; front: S. Connolly, A. Meissel, T. Schildberger, J. Seyenjon, T. Kirby, J. Habel.

TOP, the under 11B's, back row, from left: I. Rosier, G. Taylor, S. Kastelan, A. Orloff, J. Harvey; front: A. Sampson, C. Rennie, P. Tudball, R. Werlie, D. Lovell, C. Bakrach.

# Well done, Robert

**Boys unhappy with sitting on the bench should learn a lesson from young Robert Galli of the Box Hill under 15 squad.**

**Robert struggled for two years to win a regular place in the team.**

**He battled against disappointment and never gave up.**

**Last week he scored five goals in Box Hill's 8-1 victory over Chelsea and was the best player on the field.**

**Good clubs are those whose players have team spirit. Robert**

## STEPHEN KALUS

# Myer can't get back

**Not only the national league was hit by the coaches' merry-go-round. In the State League after only six rounds, coaches are in and out week by week.**

**John Grimsey** was the first to get "marching" orders from Polonia's committee, **Mike De Bruyckere** the former Dutch and Australian international, was sacked by Makedonia and Lions are getting a new coach, **Duncan McKay**.

But the biggest bombshell came last week when Hakoah-St Kilda's long serving coach **Sam Myer** arrived back from a rush trip overseas to see his very ill brother and found out that he is not wanted any longer by the club.

His deputy coach, **Mike Mandalis** has done so well with the unbeaten Hakoah team that the committee felt very uncomfortable about replacing him.

A bitterly disappointed Myer had several talks with Hakoah's committee members and is again on the open market.

The Israeli coach walked out in the middle of the 1975 season after a disagreement with the committee, but was brought back for the former president of the club **Les Erdi.**

In soccer circles Sam is regarded as one of the top coaches and I wouldn't be suprised to see him coaching one of the Victorian national league clubs.

☆ ☆ ☆

In a most sensational finish Slask (Wrocław), holder of the

**Sam Myer**

Polish Cup, won the 1977 championship. With only two rounds to go and 39 points in hand, Slask is certain to hold 1st position. It is the first championship the team has won, although it was more successful in cup games. Gornick (Zabrze) — the team chosen to tour Australia next season lost its chances when beaten by Zagleble 3-1.

Soccer writers in NSW, Queensland, South Australia and Canberra will be invited to vote for the Bill Fleming Best Player award.

A presentation night will be held in Melbourne on October 6. The executives of the Australian Soccer Press Association at a meeting held last week, decided to include the national league competition in the voting for the Bill Fleming Award.

**Jim McKays'** trophy for the best under 21 player will also be voted on a national base.

**Jim Tansey** (Fitzroy) won the Bill Fleming Award for 1976 and **Arthur Xantopolous** won the Jim Mackay award.
